

Lockport Area Special Education Cooperative

1343 E. 7th Street

Lockport, IL 60441

Are you concerned about???

- 1. Your child's learning?**
- 2. Your child's talking?**
- 3. How your child sees and hears?**
- 4. How your child plays with other children?**
- 5. How your child walks, skips and jumps?**
- 6. How your child colors and cuts?**
- 7. How your child acts?**

Preschool screenings are **FREE** and can answer many questions about your preschool age child's development

How long will the screening take?

The screening process will take about 45 minutes

What happens during a screening?

- 1. Your child's thinking, talking, hearing, vision, motor and social skills will be assessed.**
- 2. A member of the team will meet with you to talk about your concerns and observations.**
- 3. Screening results and recommendations will be shared with the parent/guardian.**
- 4. Recommendations could include:**
 - No Follow Up
 - Rescreen in 6-12 months
 - More in-depth evaluation to pinpoint needs.

What if my child is under 3 years old?
