1:30 Philosophy of Organization

All members of LASEC, as legal officials of the State of Illinois, assume the obligation to the students with disabilities of their Districts to see that their educational needs are met. Member Districts of LASEC should exhibit leadership in promoting, facilitating and expediting special education services to the students with disabilities of each District.

The final success of LASEC's Education Program is measured in terms of the accomplishments of the individual students. The following statements are representative of the philosophy of LASEC.

1. All children can learn.
2. Early identification and intervention are critical for students with disabilities and their families.
3. All students will experience school as a positive place where they are accepted, respected and have a sense of belonging.
4. All students will be educated to the greatest extent possible in their home school with their peers and in the least restrictive environment.
5. All school personnel will accept and address diverse needs within each student and make appropriate accommodations.
6. A continuum of educational experiences will be provided to maximize student strengths and potential.
7. Evaluation of student growth is an essential and continuous process.
8. All educators, parents and the community will collaborate on behalf of all students.
9. All students will be provided with the resources to prepare them for life's experiences with a goal to become functional, independent adults within their community.

Long-range, as well as short-term goals, are necessary for the continuation and growth of LASEC's educational program for the disabled population. A report shall be presented to the Board of Directors on an annual basis.

Commitment to Accomplishment

The Board of Directors recognizes and accepts that it has the ultimate responsibility for all facets of LASEC operations. Enforcement

The Board Chairman and Executive Director shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Executive Director or Board Chairman. 4. Has an interest that may be substantially affected by the performance or non-performance of the official duties of the Board member or employee;
5. Is registered or required to be registered with the Secretary of State under the Lobbyist Registration Act, except that an entity does not become a prohibited source merely because a registered lobbyist is one of its members or serves on its board of directors; or
6. Is an agent of, a spouse of, or an immediate family member living with a prohibited source.

"Gift" means any gratuity, discount, entertainment, hospitality, loan, forbearance, or other tangible or

intangible item having monetary value including but not limited to, cash, food and drink, and honoraria for speaking engagements related to or attributable to government employment or the official position of a Board member or employee.

Complaints of Sexual Harassment Made Against Board Members by Elected Officials

Pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/70-5), members of the Board and other elected officials are encouraged to promptly report claims of sexual harassment by a Board member. Every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available. If the official feels comfortable doing so, he or she should directly inform the individual that the individual's conduct or communication is offensive and must stop.

Board members and elected officials should report claims of sexual harassment against a member of the Board to the Board Chairman or Executive Director. If the report is made to the Executive Director, the Executive Director shall promptly notify the Chairman, or if the Chairman is the subject of the complaint, the Vice Chairman. Reports of sexual harassment will be confidential to the greatest extent practicable.

When a complaint of sexual harassment is made against a member of the Board by another Board member or other elected official, the Board Chairman shall appoint a qualified outside investigator who is not a Cooperative employee or Board member to conduct an independent review of the allegations. If the allegations concern the Chairman, or the Chairman is a witness or otherwise conflicted, the Vice Chairman shall make the appointment. If the allegations concern both the Chairman and Vice Chairman, and/or they are witnesses or otherwise conflicted, the Board Secretary shall make the appointment. The investigator shall prepare a written report and submit it to the Board.

If a Board member has engaged in sexual harassment, the matter will be addressed in accordance with the authority of the Board.

The Executive Director will post this policy on the Cooperative website and/or make this policy available in the Cooperative's administrative office.

2:125 Board Member Compensation; Expenses

Board Member Compensation Prohibited

Board members provide volunteer service to the community and may not receive compensation for services, except that a Board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

Roll Call Vote

All Board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Board.

Regulation of District Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses in the District by resolution. No later than approval of the annual budget and when necessary, the Executive Director will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the District's budget and other financial considerations.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the Board member, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

Exceeding the Maximum Allowable Reimbursement Amount(s)

All requests for expense advancements, reimbursements, and/or purchase orders that exceed the maximum allowable reimbursement amount set by the Board may only be approved by it when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Advancements

The Board may advance to its members actual and necessary expenses to be incurred while attending:

2. County or regional meetings and the annual meeting sponsored by any school board association complying with Article 23 of the School Code; and
3. Meetings sponsored by a national organization in the field of public school education.

Expense advancement requests must be submitted to the Executive Director or designee on the Board's standardized estimated expense approval form. After spending expense advancements, Board members must use the Board's standardized expense reimbursement form and submit to the Executive Director: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. A Board member must return to the District any portion of an expense advancement not used. If an expense advancement is not requested, expense reimbursements may be issued by the Board to its members for the activities listed in numbers one through three, above, along with registration fees or tuition for a course(s) that allowed compliance with the mandatory trainings described in policy 2:120, *Board Member Development* and other

professional development opportunities that are encouraged by the School Code (see the **Reimbursements and Purchase Orders** subhead, below). Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursement is not guaranteed and, when possible, Board members should seek pre-approval of expenses by providing an estimation of expenses on the Board's standardized estimated expense approval form, except in situations when the expense is diminutive. When pre-approval is not sought, Board members must seek reimbursement on the Board's standardized expense reimbursement form. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Copies of airline tickets and baggage receipts must be attached to the expense form.
 - b. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.

2:140 Communications To and From the Board

The Governing Board welcomes communications from staff members, parents/guardians, students, and community members. Individuals may submit questions or communications for the Governing Board's consideration to the Director or may use the electronic link to the Board's email address(es) posted on the Cooperative's website.

The Director or designee shall:

1. Ensure that the home page for the Cooperative's website contains an active electronic link to the email address(es) for the School Board, and
2. During the Board's regular meetings, report for the Board's consideration all questions or communications submitted through the active electronic link along with the status of the District's response in the Board meeting packet.

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Director's office. Board members will not take individual action that might compromise the Board or Cooperative. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications among a majority or more of a Board-quorum shall not be used for the purpose of discussing Cooperative business. Electronic communications among Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items
- Individual emails to community members, subject to the other limitations in this policy

In accordance with the Open Meetings Act and the Oath of Office taken by Board members, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of Cooperative business through electronic communications with a majority of a Board-quorum.

2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the Governing Board to discuss Cooperative business only at a properly noticed Board meeting. 5 ILCS 120/.. Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss Cooperative business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Communications Between or Among Board Members and/or the Director Outside of a Properly Noticed Board Meeting

1. The Director or designee is permitted to email information to Board members. For example, the Director may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Director should copy all other Board members and include a *do not reply/forward* alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."**
2. Board members are permitted to discuss any matter except Cooperative business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss Cooperative business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss Cooperative business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing Cooperative business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a *do not reply/forward* alert when emailing a message concerning Cooperative business to more than one other Board member. The following is an example of such an alert: **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."**
6. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A public record is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." 5 ILCS 140/2. Email sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Board member uses a Cooperative-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill.App.4th 2013).

The following *examples* describe FOIA's treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record**. Individual Board members, alone, cannot conduct school Cooperative business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
 - b. Sent and/or received by an individual Board member on a Cooperative-issued device or Cooperative-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the Cooperative.
 - c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a Cooperative-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the Cooperative.
 - d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the Cooperative's possession.
 - e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the Cooperative's possession because Board members were functioning collectively as a public body.

The Cooperative's Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Email that qualifies under FOIA as a *public record* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the Cooperative's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate Cooperative office where it will be stored. If made available, Board members should use their email accounts provided by the Cooperative, and the Cooperative will automatically store the official record messages. The Cooperative will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a Cooperative-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any email concerning a topic that is being litigated without obtaining the

Board attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

2:150 Committees

The Cooperative creates Policy, Budget/Facilities, Negotiations and other committees, as the Board of Directors deems necessary. The Board Chairman makes all Board of Directors committee appointments unless specifically stated otherwise. Board of Director committee meetings shall comply with the Open Meetings Act. A Board of Directors committee may not take final action on behalf of the Board of Directors - it may only make recommendations to the Board.

Executive Director Committees

Nothing in this policy limits the authority of the Executive Director or designee to create and use committees that report to him or her or to other staff members. The Executive Director creates committees as he or she deems necessary and makes all appointments. Executive Director committees report to the Executive Director.

The Board Attorney will provide services as described in the agreement for legal services or as memorialized by an engagement letter. The Board Attorney will provide services as described in the agreement for legal services. The Cooperative will only pay for legal services that are provided in accordance with the agreement for legal services or are otherwise authorized by this policy or a majority of the Board.

2:160-E Exhibit - Checklist for Selecting a Board Attorney

The School Board selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms. The Board may also select an attorney without using an RFP process and adapt this checklist.

The Board may also adapt this checklist and use it for an application process, if the Board seeks an inhouse attorney. For more information, call the IASB Office of General Counsel; see its current phone numbers at www.iasb.com/about-us/staff/#office-general-counsel.

☐ Determine what type of legal services the District needs.

1. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the District's legal needs are best served by in-house attorney(s) or outside attorney(s)/law firms. Many districts use a combination of these services. Many districts also use multiple attorney(s)/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. Some boards also approve a panel of attorneys and allow the administration to choose which attorney to use.
2. Consider the following factors to analyze the type(s) of legal services needed for the District including, but are not limited to:
 - District's size;
 - Any past and current experiences with legal matters;
 - Complexity of the District's legal needs;
 - Availability of expertise; and
 - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

☐ Develop a list of qualifications necessary for providing quality legal services to the District.

1. Review policy 4:60, *Purchases and Contracts*. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align procurement for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the District's budget, etc.
2. Develop the list of qualifications. The major qualifications include, but are not limited to:
 - Licensed to practice law in Illinois and in good standing with the Ill. Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
 - Member of the District's assigned United States district court and the Seventh Circuit Court of Appeals
 - Substantive knowledge and experience in the legal areas matching District's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the District's identified needs and may change from time to time.
 - Experience in all aspects of contract, employment, and school law
 - Experience that meets the District's needs, including litigation experience in State and federal courts
 - Membership in professional associations, such as, the Ill. Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
 - Demonstrated knowledge of and ability to apply professional responsibility rules

- Accessibility for the District's identified needs, e.g., evening Board meetings, phone calls, etc.
- Ability to declare that representation of the District will be to the exclusion of all other clients having potential conflicts with the District's interests
- When additional qualifications apply, list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

☐ **Develop the RFP.**

1. Insert the list of qualifications that the Board developed.
2. Include the following information:
 - The deadline for responses to be submitted
 - The location (address or email) where responses should be sent
 - A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the School District
 - Significant information about the District (see policy 1:30, *School District Philosophy*, for the District's mission statement that is specific to the community's goals)
 - The scope of work, e.g., "The Board Attorney will provide legal advice concerning *[typical duties, specific duties, excluded duties]*."
 - Qualifications
 - Details about interviews and presentations
3. Specify what responders must include in their responses, such as the following:
 - Cover letter, complete name, address, and legal structure (if the responder is a law firm)
 - The individuals who prepared the response, including their titles
 - If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
 - A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
 - A summary of the responder's relevant experience representing public schools
 - A writing sample
 - An assurance that the responder meets the RFP's qualifications
 - References including current or past clients

☐ **Announce the RFP.**

1. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the District's website, mail or email it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the ICSA is on the IASB website, www.iasb.com. A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Ill. State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The *[Insert District's name]* School Board Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve either *at will* or from the date of appointment to *[date]*. The length of the appointment is at the Board's discretion.

4. State the School District's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned by [*certain time and date*] to [*name and title of person receiving applications*].

☐ **Receive and manage responses to the RFP.**

1. Review policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement.
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

☐ **Develop interview questions if the Board interviews attorneys or law firms.**

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
 - What do you see as your role as Board Attorney?
 - How many other school districts do you currently represent?
 - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
 - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing school districts?
 - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The *Ill. Rules of Professional Conduct*, at www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp, require attorneys to represent the Board in its capacity as the governing body for the District. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, **PRESS** policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board's interest may be or become adverse to one or more of its members? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board and Superintendent are in conflict? How about a divided Board? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
 - If the Board did something that you had advised against, could you still defend the Board's action? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.

- Will you try to shape Board decisions or do you have a *whatever the Board decides philosophy*? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
- Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of policy 2:160, *Board Attorney*.
- Do you provide your school Board clients with any updating services gratis?
- How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?
- Will you be handling this business personally, i.e., will you delegate to your associates or partners?
- Can anyone else in your firm handle our inquiries when you are unavailable?
- How do you keep current on school law?
- When do you tell your school clients to contact you regarding a matter with possible legal repercussions?
- Have you represented a school district in a matter involving the rights of disabled students? ...involving disabled employees? ... involving a student expulsion? ... involving a teacher dismissal? ... involving an employee's contract or dismissal? ... involving a building contract or bidding matter? ... Can you tell us about that case?
- How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.
- Did you bring a written agreement for legal services, engagement letter, or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services, engagement letter, or a retainer agreement.

☐ **Develop an interview protocol.** Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board President will lead the Board as it interviews responders to its RFP. See 105 ILCS 5/10-13 stating that the Board President presides at all meetings and policy 2:110, *Qualifications, Term, and Duties of Board Officers*.
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:
 - Introduce Board members to the responder
 - Describe the Board's interview process, selection process, and ask the responder if he or she has questions about the Board's process for selecting its attorney
 - Describe the District's philosophy or mission statement
 - Describe the Board Attorney position by reviewing the RFP
 - Begin asking the interview questions (see *Develop interview questions*, above)
 - Ask the responder whether he or she has any questions for the Board
 - Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board's decision

☐ **Conduct a reference check and other background investigation(s).**

1. The Board President may perform this check or direct the Superintendent to:

- Check the ARDC's master roll of attorneys as "Authorized to Practice Law" (To do this, enter the attorney's name into the ARDC's registration and public disciplinary records database at: www.iardc.org/lawyersearch.asp.)
 - Click on the attorney's name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen
 - If disciplinary actions are listed, ask the attorney or law firm for more information
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
 3. Call references provided by the responder.

☐ **Enter into a written agreement or engagement letter with the selected attorney or law firm.**

1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements from the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAO 14-02).
2. Discuss the fee arrangements with the responder and decide:
 - Whether to enter into a fee arrangement and/or a retainer agreement (**Note:** Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many districts enter into a retainer agreement for legal services or an engagement letter that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the district needs him or her. Districts find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.)
 - The appropriate scope of services
3. Review the written contract or memorialized relationship (*agreement for legal services* or *engagement letter*) for these provisions:
 - Fee arrangement
 - Scope of services
 - Which attorneys will be providing legal services
 - A statement that the Board controls all legal decisions
 - A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it
 - Board's right to terminate the services of the attorney and law firm at any time for any reason
4. Approve the *agreement for legal services* or *engagement letter* during an open Board meeting.

☐ **Announce the appointment to District staff and community.**

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.
2. The Board may want to consider announcing during an open meeting. See policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:

- The Board appointed [attorney's name or law firm name] as the Board Attorney
- The appointment will begin on [date] for [length of time]
- The Board previously established qualifications for the Board Attorney in a careful and thoughtful manner, e.g., "[Attorney or lawfirm's name] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [Attorney or law firm's name] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge."

No final Cooperative action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

2:220 Cooperative Meeting Procedure

Agenda

The Board Chairman is responsible for focusing the Board of Director's meeting agendas on appropriate content. The Executive Director shall prepare agendas in consultation with the Board Chairman. The Chairman shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Cooperative action. Upon the request of any Director, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Cooperative members to the Executive Director or the Chairman shall be placed on the agenda for an upcoming meeting. Cooperative residents may suggest inclusions for the agenda. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Executive Director shall provide a copy of the agenda, with adequate data and background information, to each Director at least 48 hours before each meeting, except a meeting held in the event of an emergency.

The Board Chairman shall determine the order of business at regular Cooperative meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes shall be rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the Chairman or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board of Directors Recording Secretary shall keep written minutes of all Cooperative meetings (whether open or closed), which shall be signed by the Chairman and the Recording Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Cooperative members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, the members making the motion and the second;

8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Cooperative for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Cooperative's meeting minutes must be submitted to the Board of Directors Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board of Directors Recording Secretary. Open meetings minutes are available for inspection during regular office hours within 10 days after the Board of Director's approval, in the office of the Executive Director or designee, in the presence of the Recording Secretary, the Executive Director or designee, or any Cooperative member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the Cooperative's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Executive Director or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the Cooperative's administrative offices or their official storage location except by vote of the Board or by court order.

Verbatim Record of Closed Meetings

The Executive Director, or the Board of Director's Recording Secretary when the Executive Director is absent, shall audio record all closed meetings. If neither is present, the Board Chairman or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Executive Director shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board of Directors for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board of Director's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board of Directors approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Executive Director or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the Cooperative's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Executive Director or Board Chairman. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the Cooperative's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities or service to Cooperative . In the interest of encouraging free and open

expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board of Directors constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or Cooperative business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Executive Director at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Executive Director will inform the Board Chairman and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board Chairman or, if the office is vacant or the Chairman is absent or unable to perform the office's duties, the Vice Chairman determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the Chairman nor Vice Chairman is present or able to perform this determination, the Director shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board Chairman, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board of Directors Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Director at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board of Directors, other meeting participants, or members of the public. The Board Chairman may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during a Board meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of members making specific points during discussion. Requests from individual Board members to include their vote or an opinion are handled according to Board policy 2:220, *Board Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Director or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes..

Logging and Review Process

Step 1. The Board Secretary or Recording Secretary maintains a log of the closed meeting minutes that are unavailable for public inspection. The meeting minutes are logged according to the reason the Board held the closed meeting. 2:220-E6, *Log of Closed Meeting Minutes*.

Step 2. The Board meets in closed session to review the log of unreleased closed meeting minutes. The Board or Recording Secretary brings a copy of all unreleased closed meeting minutes and, if requested, allows Board members to review the actual minutes. The Board identifies which closed meeting minutes or portions thereof no longer need confidential treatment. Use *Report Following the Board's Semi-Annual Review of Closed Meeting Minutes*, below.

Step 3. At least semi-annually (every six months, or as soon after as is practicable, taking into account the nature and meeting schedule of the Board), in an open meeting, the Board takes action to release for public inspection those minutes, or portions thereof, no longer needing confidential treatment. Use *Action to Accept*, below. Closed meeting minutes will not be released for public inspection if confidential treatment is needed to protect the public interest or the privacy of an individual, including: (1) student disciplinary cases or other matters relating to an individual student, and (2) personnel files and employees' and Board members' personal information. 5 ILCS 120/2.06(d), amended by P.A. 102-653.

Step 4. The Board or Recording Secretary: (1) updates the log of unreleased closed meeting minutes to remove any minutes that the Board made available for public inspection; (2) makes a notation on any applicable closed meeting minutes of the Board's action to release it or a portion of it for public inspection; (3) continues to log new closed meeting minutes that the Board has not released for public inspection (2:220-E6, *Log of Closed Meeting Minutes*), and (4) maintains logs for access to closed session minutes pursuant to 5 ILCS 120/2.06(e).

Open Meetings Act

The Open Meetings Act (OMA) requires public bodies to “keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording.” 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of Section 2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of Section 2.06, as well as OMA requirements pertaining to Board agendas, are included in policy 2:220, *School Board Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to Section 2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains a protocol for open meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review

(every six months, or as soon after as is practicable, taking into account the nature and meeting schedule of the Board). 5 ILCS 120/2.06(d), amended by P.A. 102-653.

Exhibit 2:220-E9, *Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration*, contains a process for compliance with 105 ILCS 120/7(e), added by P.A. 101-640, when a board is meeting without a physical quorum present at the meeting location during a disaster declaration related to public health concerns.

Local Records Act

The Local Records Act (LRA) provides that public records, including “any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer” must be preserved unless the State Local Records Commission has given permission to destroy those records. 50 ILCS 205/3 and 7. Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Policy 2:250, *Access to District Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:220, *School Board Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding school district records retention protocols and links to web-based record management resources.

Closed Meeting Minutes

Are we required to approve them?	Must they be semi-annually reviewed?	May we release them to the public?	May we destroy them?
Yes	Yes	Yes, if prerequisites are	No

<p>OMA does not directly state public bodies are required to approve closed meeting minutes, nor does it set a time frame for such approval. However, OMA Section 2.06(d) requires public bodies to meet at least semi-annually to “review minutes of all closed meetings.” 5 ILCS 120/2.06(d).</p> <p>Moreover, OMA Section 2.06(c) specifically allows the destruction of closed meeting verbatim recordings only if certain conditions are met, one of which is that “the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section.” 5 ILCS 120/2.06(c)(2). Both of these tasks would be difficult to achieve if closed meeting minutes were not first approved.</p> <p>One practice is to approve closed meeting minutes within the same time frame that open meeting minutes are approved – within 30 days of the meeting or at the next subsequent meeting, whichever is later.</p>	<p><i>Each public body shall periodically meet to review all existing minutes of all prior closed meetings (this includes records from all time that the board has been in existence). Meetings to review minutes shall occur every 6 months, or as soon thereafter as is practicable, taking into account the nature and meeting schedule of the public body. At such meetings a determination shall be made, and reported in an open session that (1) the need for confidentiality still exists as to all or part of those minutes or (2) that the minutes or portions thereof no longer require confidential treatment and are available for public inspection.</i> 5 ILCS 120/2.06(d), amended by P.A. 102-653.</p>	<p>Minutes of meetings closed to the public shall be available only after the public body determines that it is no longer necessary to protect the public interest or the privacy of an individual by keeping them confidential. 5 ILCS 120/2.06(f).</p>	<p>There is no OMA provision permitting the destruction of closed meeting minutes, and they must be preserved unless the State Local Records Commission has given permission to destroy them.</p> <p>In addition:</p> <p><i>No minutes of meetings closed to the public shall be removed from the public body’s main office or official storage location, except by vote of the public body or by court order.</i> 5 ILCS 120/2.06(f).</p> <p>If a public body would like to destroy closed meeting minutes, then it must comply with the LRA and work with its Local Records Commission. It is highly unlikely, however, that the Local Records Commission would approve of their destruction.</p>

2:220-E9 Exhibit - Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration

Use this exhibit to document the Board's and/or its committee(s)'s (5 ILCS 120/1.02) processes to comply with the requirements of the Open Meetings Act (OMA) when a board and/or its committee(s) must meet during a disaster declaration related to a public health emergency/concern and the meeting will have no physical presence of a quorum and participation by audio or video.

Note: If a Board committee uses this exhibit, replace Board President, Vice President, and Supt. with the appropriate committee leaders.

Consult the Board Attorney for guidance.

Documentation of OMA Requirements for Board Members to Participate in a Meeting with No Physical Presence of Quorum

☐ The Governor or the Director of the Ill. Dept. of Public Health has issued a disaster declaration related to a public health emergency because of a disaster as defined in 20 ILCS 3305/4, and all or part of the jurisdiction of the Board is covered by the disaster area. 5 ILCS 120/7(e)(1), amended by P.A. 101-640. **Note:** OMA uses “public health concerns,” but the Ill. Emergency Management Act (IEMA) uses “public health emergency;” this exhibit matches the IEMA term because it governs disaster declarations.

Insert Disaster Declaration or Executive Order number [] or attach to this document.

☐ The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President, or if neither the President nor Vice President are present or able to perform this determination, the Superintendent (5 ILCS 120/7(e)(2), amended by P.A. 101-640, and 140/2(e)) signs below that the following three **Steps** were executed by:

Step 1. Determining whether the meeting is a bona fide emergency (5 ILCS 120/7(e)(7), amended by P.A. 101-640) (*check Yes or No, below*):

☐ Yes; it is an emergency meeting, and I:

- A. Notified the Board members and the public, including any news medium which has filed an annual request for notice of meetings as soon as practicable, but in any event prior to the holding of such meeting pursuant to 5 ILCS 120/2.02(a) and 120/7(e)(7)(A), amended by P.A. 101-640;
- B. Stated the nature of the emergency at the beginning of the meeting; and
- C. Provided the Superintendent or Board Secretary the resources necessary during the meeting to keep a verbatim record of the meeting, **for both open and closed**, and managed it the same way that the Board complies with the verbatim recording requirements for closed meetings (see exhibit 2:220-E1, *Board Treatment of Closed Meeting Verbatim Recordings and Minutes*).
Note: In this situation, a verbatim recording is not limited to closed meetings only.
- D. Move to Step 2, below.

☐ No; it is a regular or special meeting, and I:

- A. Ensured that the Board provided 48 hours' notice of the meeting to all Board members, to any news medium on file in the District that have requested notice of meetings pursuant to 5 ILCS 120/2.02(a), and to members of the public by posting it on the District's website. 5 ILCS 120/7(e)(7), amended by P.A. 101-640. **Note:** 5 ILCS 120/7(e), amended by P.A. 101-640 does not have the “if any” exception for school boards that do not have websites. Consult the board attorney regarding alternate ways to communicate notice of a meeting when the district

does not have a website and a Disaster Declaration or Executive Order has been issued.

Insert meeting date and time, and a link to the meeting notice or attach a copy of the notice to this document.

B. Moves to Step 2, below.

Step 2. Determining whether it is practical, prudent, or feasible for any in-person attendance at the regular meeting location (5 ILCS 120/7(e)(2), amended by P.A. 101-640). (*check Yes or No, below*):

☐ Yes; in-person attendance is practical, prudent, or feasible, and I:

- A. Ensured that at least one Board member, the Board Attorney, or the Superintendent was physically present at the regular meeting location (5 ILCS 120/7(e)(5), amended by P.A. 101-640), and
- B. Verified that members of the public who were present could hear all discussion and testimony and all votes of the members of the Board. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.
- C. Move to Step 3, below.

☐ No; in-person attendance is not practical, prudent, or feasible, and I:

- A. Made a written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting. 5 ILCS 120/7(e)(1) and (2), amended by P.A. 101-640.
- B. Included the written determination made in letter A., above, on the Board's published notice and agenda for the alternative arrangements for the meeting. 5 ILCS 120/7(e)(7)(A)-(B), amended by P.A. 101-640.
- C. Offered the alternative arrangements to the public by offering a telephone number or a web-based link. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.

Insert a link to the meeting notice or attach a copy of the notice or refer to above if already attached to this document (see above).

Include this written determination on the Board/committee's published notice and agenda for the audio or video meeting, and in the meeting minutes.

D. Move to Step 3, below.

Step 3. During the meeting, I:

☐ Directed the Recording Secretary to, in addition to the requirements for open meetings under OMA, also keep verbatim record of the open meeting by recording it and making it open and available to the public under all provisions of OMA. 5 ILCS 120/7(e)(9), amended by P.A. 101-640. *Sample text follows below in the subhead below* **Report to the Public Following the Board's Meeting with No Physical Presence of Quorum.**

☐ Read my written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting and directed the Recording Secretary to include it in the meeting minutes.

☐ Ensured that any interested member of the public has access to contemporaneously hear all discussion, testimony, and roll call votes. 5 ILCS 120/7(e)(4), amended by P.A. 101-640.

☐ Requested the Recording Secretary to enter into the appropriate minutes of the Board that each

Board member participating in the meeting, wherever their physical locations, announced:

1. Themselves present (5 ILCS 120/7(e)(3), amended by P.A. 101-640), and
2. A verification that they could hear one another and all discussion and testimony. Id.

See 2:220-E3, *Closed Meeting Minutes* and/or 2:220-E4, *Open Meeting Minutes*.

Attach to this document copies or information about where these minutes may be found.

☐ Announced and considered each Board member participating in the meeting present at the meeting for purposes of determining a quorum and participating in all proceedings (5 ILCS 120/7(e)(8), amended by P.A. 101-640) and directed the Recording Secretary to reflect it in the minutes (best practice for transparency).

☐ Conducted all votes by roll call, so each Board member's vote on each issue could be identified and recorded (5 ILCS 120/7(e)(6), amended by P.A. 101-640), and ensured that the Recording Secretary entered all votes as **Roll Call Votes** (Use exhibit 2:220-E4, *Open Meeting Minutes* but ensure all votes are recorded as roll call votes pursuant to the example below):

"Yeas"	"Nays"

Motion: ☐ Carried ☐ Failed

☐ Executed or directed execution of the subhead below **Report to the Public Following the Board's Meeting with No Physical Presence of Quorum.**

Report to the Public Following the Board's Meeting with No Physical Presence of Quorum

The text below may be used for the actual report.

The School Board met on *[insert date]* with no physical presence of quorum to conduct its business.

The verbatim *[circle one]* audio | video recording of this meeting is available to the public under all provisions of OMA and will be destroyed pursuant to 5 ILCS 120/2.06(c) (no less than 18 months after the completion of the meeting recorded but only after: (1) the Board approves the destruction of the particular recording; and (2) the Board approves minutes of the meeting that meet the written minutes requirements of OMA). 5 ILCS 120/7(e)(9), amended by P.A. 101-640.

Insert links to the verbatim recording of meeting here or attach to this document.

Note: Consult the board attorney for guidance on the destruction of a verbatim recording of an open meeting without the physical presence of a quorum. While 5 ILCS 120/2.06(c) refers to the process for destroying closed session verbatim recordings, 5 ILCS 120/7(e)(9), amended by P.A. 101-640, applies that process for destroying closed session verbatim recordings to the destruction of the verbatim open session recordings that are required when a board determines it is necessary for it to meet without the physical presence of a quorum due to a public health emergency.

2:230 Public Participation at Cooperative Meetings and Petitions to the Board of Directors

During each regular and special open meeting of the Board, any person may comment to or ask questions of the Board of Directors (*public participation*), subject to the reasonable constraints established and recorded in this policy's guidelines below. The Board listens to comments or questions during public participation; responses to comments to or questions of the Board are most often managed through policy 3:30, *Chain of Command*.

To preserve sufficient time for the Board of Directors to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board Chairman. This includes following the directives of the Board Chairman to maintain order and decorum for all.
2. Use a sign-in sheet, if requested.
3. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to five minutes. In unusual circumstances, and when an individual has made a request to speak for a longer period of time, the Board Chairman may allow a person to speak for more than five minutes. If multiple individuals wish to address the Board on the same subject, the group is encouraged to appoint a spokesperson.
4. Observe, when necessary and appropriate, the Board Chairman's authority to:
 - a. Shorten the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak; and/or
 - b. Determine procedural matters regarding public participation not otherwise covered in Board policy.
5. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, *Visitors to and Conduct on LASEC Property*.

Petitions or written correspondence to the Board of Directors shall be presented to the Cooperative at the next regularly scheduled Board of Directors meeting.

2:240 Board Policy Development

Cooperative governance requires written policies. Written policies ensure legal compliance, establish Board of Director's processes, articulate Cooperative ends, delegate authority, and define operating limits. Board policies also provide the process for monitoring progress toward Cooperative ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or elimination of existing policies. Staff suggestions should be processed through the Executive Director. Suggestions from all others may be made to the Board Chairman or the Executive Director.

A Board Policy Committee will consider all policy suggestions, and provide information and recommendations to the Board of Directors.

The Executive Director is responsible for: (1) providing relevant policy information and data to the Board of Directors, (2) notifying those who will be affected by a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Executive Director shall seek the counsel of the school attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board of Director's meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board of Directors consideration may be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Cooperative policies are available for public inspection in the administrative office during regular office hours. Copy requests should be made under the Cooperative's Access to Public Records Policy.

Board of Directors Policy Review and Evaluation

The Cooperative will monitor its policies and consider whether any modifications are required. The Board of Directors may use an annual policy review calendar.

Words Importing Gender

Throughout this policy manual, words importing the masculine and/or feminine gender include all gender neutral/inclusive pronouns.

Executive Director Implementation

The Board of Directors will support any reasonable interpretation of Cooperative policy made by the Executive Director. If reasonable minds differ, the Board of Directors will review policy and consider the need for further clarification.

In the absence of Cooperative policy, the Executive Director is authorized to take appropriate action.

Suspension of Policies

The Board of Directors, by a majority vote of members present at any meeting, may temporarily suspend a Board policy not established by law or contract. The failure to suspend with a specific motion does not invalidate the Board of Directors action.

2:250 Access to Cooperative Public Records

Full access to the Cooperative's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Director or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the Cooperative's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the Cooperative's response.

Freedom of Information Officer

The Director shall serve as the Cooperative's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Director may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Director of the responsibility for the action that was delegated.

Definition

The Cooperative's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School Cooperative.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the Cooperative's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Director or designee shall instruct Cooperative employees to immediately forward any request for inspection and copying of a public record to the Cooperative's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the Cooperative's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the Cooperative's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the Cooperative's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the person requesting the record states a specific purpose for the request and indicates that a fee reduction is in the public interest by having as its principal purpose the preservation of the general public's health, safety, welfare, or legal rights and is not for the principal purpose of personal or commercial benefit. The Freedom of Information Officer shall set the amount of the reduction, taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the Cooperative's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the Cooperative's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the Cooperative's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the Cooperative shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the Cooperative will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the Cooperative's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any Cooperative Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same sex. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with the parent(s)/guardian(s) of a student. The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student, under 18 years of age, the Complaint Manager will notify his or her parents/guardians that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years or age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Executive Director. The Complaint Manager may request an extension of time.

The Executive Director will keep the Board informed of all complaints.

If a complaint contains allegations involving the Executive Director or Board member(s), the written report shall be filed directly with the Cooperative, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Executive Director shall mail his or her written decision to the Complainant and the accused by registered mail, return receipt requested, and/or personal delivery as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Executive Director's decision, the Complainant or the accused may appeal the decision to the Cooperative by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and

appeal to the Cooperative.

Within 30 school business days after an appeal of the Executive Director's decision, the Board shall affirm, reverse, or amend the Executive Director's decision or direct the Executive Director to gather additional information. Within five school business days after the Board's decision, the Executive Director shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Executive Director or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail its written decision to the Complainant and the accused by registered mail, return receipt requested, and/or personal delivery as well as to the Complaint Manager. This policy shall not be construed to create an independent right to a hearing before the Executive Director or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator and Complaint Managers

The Executive Director shall appoint a Nondiscrimination Coordinator to manage the Cooperative's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the Cooperative's Title IX Coordinator.

The Executive Director shall appoint at least one Complaint Manager to administer this policy. If possible, the Executive Director will appoint two Complaint Managers, one of each gender. The Cooperative's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Executive Director shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers. The Executive Director or designee shall ensure that students, parents/guardians, employees, and members of the community are informed of the contact information for the Cooperative's Nondiscrimination Coordinator and Complaint Managers on an annual basis.

2:265 Title IX Sexual Harassment Grievance Procedure

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important LASEC goal. LASEC does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations (34 C.F.R. Part 106) concerning everyone in LASEC's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a LASEC employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A LASEC employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to LASEC's educational program or activity; or
3. *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(11), *domestic violence* as defined in 34 U.S.C. §12291(a)(12), or *stalking* as defined in 34 U.S.C. §12291(a)(36).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

Definitions from 34 C.F.R. §106.30

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where LASEC has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that LASEC investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

Title IX Sexual Harassment Prevention and Response

The Executive Director or designee will ensure that LASEC prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that LASEC's comprehensive health education program incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into LASEC's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the Executive Director, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on LASEC's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

LASEC employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Executive Director shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Title IX Coordinator:

Hassan von Schlegell, Exec. Director

1343 E. 7th St., Lockport, IL 60441

hvonschlegell@lasec.org

815-838-8080

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations

in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to LASEC's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Executive Director or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with 34 C.F.R. §106.45. LASEC's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with 34 C.F.R. §106.45 before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by LASEC as a Title IX Coordinator, investigator, decision-maker, or any person designated by LASEC to facilitate an informal resolution process:
 - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
 - b. Receive training on the definition of sexual harassment, the scope of LASEC's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by LASEC as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by LASEC as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies LASEC may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any LASEC employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to LASEC, e.g., vendor, parent, invitee, etc. Any LASEC student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of LASEC or the parties to exercise any other rights under existing law.

Retaliation Prohibited

LASEC prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

3:40-E Exhibit - Checklist for the Executive Director Employment Contract Negotiation Process

The Board of Directors hires and employs the Executive Director. The Executive Director shall be in charge of the administration of the schools under the direction of the Board, through its policies. See 105 ILCS 5/10-21.4 and 105 ILCS 5/10-16.7. As an effective employer, the Board must develop and maintain a productive relationship with the Executive Director. See IASB's *Foundational Principles of Effective Governance*, **Principle 3. The board employs a superintendent, at:** www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance/.

The foundation for a productive employment relationship begins when the Board identifies the most qualified Executive Director candidate (*successful Executive Director candidate*) after an established interview process. The Board then extends an offer of employment to the successful Executive Director candidate. The employment search process and resulting relationship should consist of mutual respect and a clear understanding of respective roles, responsibilities, and expectations. This relationship should begin with the Board's policy, a thoughtfully crafted employment contract and job description, and procedures for communications and ongoing assessment. See *Principles* at the link above.

Below, the *Checklist for the Executive Director Employment Contract Negotiation Process* (*Checklist*) provides a column entitled **Executive Director Contract Term Considerations for the Board**. It lists common Executive Director employment contract terms and points of consideration for boards to prepare for during the contract formation process. Another column entitled **Explanation, Special Considerations, and Resources** provides extra information about these common Executive Director employment contract terms.

The *Checklist* is intended to serve as a resource to educate and guide the Board through the employment contract negotiation process with its successful Executive Director candidate. Board members who are educated about the content within the *Checklist* are crucial to successful negotiation processes. An educated contract formation and negotiation process, along with a well-written contract and job description for the Executive Director, all set the foundation for mutual respect and a clear understanding of the Board and Executive Director's respective roles, responsibilities, and expectations. **Important:** This *Checklist* is a resource for contract formation; it is not a list of must have items for a superintendent's employment contract or a basis for a board to re-open contracts currently in effect.

Prior to providing the successful Executive Director candidate an offer for employment and contract for review, consideration, and negotiation, consult the Board Attorney about the *Checklist* and the scope of the terms the Board wishes to offer the successful Executive Director candidate. The Board and the successful Executive Director candidate should expect and encourage the other to seek the advice of their respective attorneys during the employment contract formation process.

Many attorneys agree and best practices suggest that boards and successful Executive Director candidates work with their own separate attorneys in an amicable and cooperative manner to complete the employment contract negotiation process.

☐ **Board Attorney.** Prior to providing any successful Executive Director candidate with an offer for employment and a contract for review, consideration, and negotiation, best practices suggest consulting the Board Attorney about the *Checklist*. Note: Boards should view a successful Executive Director candidate retaining his or her own attorney as a best practice (as opposed to a warning sign). Each party is beginning the employment relationship in a cooperative manner to set an appropriate foundation to the future working relationship.

Regarding its goals and indicators, has the Board:

1. At minimum, addressed student performance and academic achievement (105 ILCS 5/10-23.8 states “and other information as the Board may determine”)?
2. Included them in the body of the employment contract? Or as an exhibit to it?
3. Set them to be:
 - a. Measurable and achievable, i.e., are they within the Executive Director's control?
 - b. Objective, subjective or a combination of both?
4. Set a timeline for achievement, and if so is it on an:

The Superintendent Evaluation Process (describes an effective method of holding the executive director accountable)

1. “Direct, through policy, its Superintendent in his or her charge of the administration of the school district;” and
2. Evaluate the Executive Director in his or her “administration of school board policies and his or her stewardship of the assets of the district.”

How will the Board evaluate the successful Executive Director candidate upon its outlined goals and indicators?

Does the Board state when it will evaluate the successful Executive Director candidate upon the goals and indicators that it set? Note: Some districts do not consider the Executive Director evaluation to be a *one-time event* and put an on-going process into place. Contrast other districts, which depending upon their preferences, generally find the best time of year to evaluate is in the winter or

4:20 Fund Balance Policy

I. Purpose:

Lockport Area Special Education Cooperative (LASEC) is dedicated to maintaining a reasonable fund balance sufficient to mitigate current and future financial risks. This policy establishes goals and provides guidance concerning the desired level of year-end fund balance to be maintained by LASEC as well as categories of reported fund balance.

II. Definitions:

Fund - For purposes of this policy a fund is defined as a fiscal and accounting entity with a self-balancing set of accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. LASEC maintains separate funds as required by the Illinois State Board of Education. The record of fund activity is maintained in LASEC's financial accounting software and is reported annually in LASEC's annual financial report (AFR).

Governmental fund types used by LASEC include the general fund and special revenue funds. Student activity funds are fiduciary in nature and are not governed by this policy.

General Fund - The general fund should be used to account for and report all financial resources not accounted for and reported in another fund.

Special Revenue Funds - Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The term *proceeds of specific revenue sources* establishes that one or more specific restricted or committed revenues should be the foundation for a special revenue fund. If LASEC no longer expects that a substantial portion of the inflows will derive from restricted or committed revenue sources, the District should discontinue reporting a special revenue fund, and instead report the fund's remaining resources in the General Fund.

Debt Service Funds - Debt service funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. Debt service funds should be used to report resources if legally mandated.

Capital Projects Funds - Capital projects funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets.

Fund Balance - Fund balance is a measure of available financial resources. Fund balance is the difference between a fund's assets and liabilities.

Statement No. 54 of the Governmental Accounting Standards Board (GASB) *Fund Balance Reporting and Governmental Fund Type Definitions* establishes five categories of fund balance for use by governmental entities:

1. The nonspendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form, such as inventories and prepaid amounts or (b) legally or contractually required to be maintained intact.
2. Restricted fund balance reflects resources that are subject to enforceable legal restrictions by outside parties such as creditors (through debt covenants), grantors, contributors, or other governments. Such restrictions include property taxes other than those reported in the General Fund, grants other than general state aid, proceeds from debt issuances, and other restricted sources.
3. Committed fund balance is government imposed constraints on the use of resources by formal action of the LASEC Board of Directors through Board Resolution. The constraint remains binding unless removed by formal action of the Board of Directors. The formal action should describe the revenue source considered to be committed, and the specific purpose of its use.
4. Assigned fund balance reflects LASEC's intended use of resources for a specific purpose and assigned in accordance with the Board of Directors or the Executive Director. Fund balance may be assigned after the end of the fiscal year. Non-negative residual unrestricted or uncommitted fund balance in funds other than the General Fund will be considered to be assigned.
5. Unassigned fund balance is the residual balance reported in the General Fund or a negative fund balance in a fund other than the General Fund.

III. Policy:

Educational Fund

LASEC will strive to maintain an unassigned fund balance in the Educational Fund no less than four months of Educational Fund operating expenditures. The fund balance will be calculated using the budgeted total General Fund expenditures (salaries, benefits, other operating expenditures, interfund transfers, and capital expenditures). This balance is the minimum fund balance required to meet LASEC's cash flow needs. It should be a primary objective of all LASEC budgets and long-term financial plans to incorporate the achievement and maintenance of the minimum Educational Fund fund balance established herein.

Resource Use Policy

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available LASEC considers restricted amounts to have been spent first. Also, when an expenditure is incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used LASEC considers committed, assigned, and then unassigned amounts, in that order, to have been spent.

Deficits

Fund balance deficits in any fund will be budgeted to be reduced and eliminated in a systematic manner through the transfer of resources from other funds as allowable.

Each institution designated as a depository shall, while acting as such depository, furnish the Cooperative with a copy of all statements of resources and liabilities or all reports of examination, that it is required to furnish to the appropriate State or federal agency.

The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the Cooperative initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government.

The Cooperative may consider a financial institution's record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The Cooperative may consider factors including:

1. For financial institutions subject to the federal Community Reinvestment Act of 1977, the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the federal Community Reinvestment Act of 1977;
2. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution's commitment to its community;
3. The financial impact that the withdrawal or denial of Cooperative deposits might have on the financial institution;

Safekeeping practices should qualify for the Governmental Accounting Standards Board (GASB) Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Board of Directors. The report will: (1) assess whether the investment portfolio is meeting the Cooperative's investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the Cooperative, and (4) include any other relevant information. The investment portfolio's performance shall be measured by appropriate and creditable industry standards for the investment type.

The Cooperative will determine, after receiving the Executive Director's recommendation, which fund

Board of Directors members are bound by the Board of Directors policy 2:100, *Board of Directors Member Conflict of Interest*. No Cooperative employee having influence on the Cooperative's investment decisions shall:

1. Have any interest, directly or indirectly, in any investments in which the Cooperative is authorized to invest,

Insufficient Fund Checks

The Executive Director or designee is responsible for collecting up to the maximum fee authorized by State law for returned checks written to the Cooperative which are not honored upon presentation to the respective bank or other depository institution for any reason. The Executive Director is authorized to contact the Cooperative's attorney whenever necessary to collect the returned check amount, fee, collection costs and expenses, and interest.

Delinquent Debt Recovery

The Executive Director is authorized to seek collection of delinquent debt owed the District to the fullest extent of the law.

A Local Debt Recovery Program may be available through the Illinois Office of the Comptroller (IOC). To participate in it, an intergovernmental agreement (IGA) between the District and the IOC must be in existence. The IGA establishes the terms under which the District may refer a delinquent debt to the IOC for an offset (deduction). The IOC may execute an offset, in the amount of the delinquent debt owed to the District, from a future payment that the State makes to an individual or entity responsible for paying the delinquent debt.

The Executive Director or designee shall execute the requirements of the IGA. While executing the requirements of the IGA, the Superintendent or designee is responsible, without limitation, for each of the following:

1. Providing a Cooperative-wide, uniform, method of notice and due process to the individual or entity against whom a claim for delinquent debt payment (*claim*) is made. Written notice and an opportunity to be heard must be given to the individual or entity responsible for paying a delinquent debt before the claim is certified to the IOC for offset. The notice must state the claim's amount, the reason for the amount due, the claim's date or time period, and a description of the process to challenge the claim.
2. An individual or entity challenging a claim shall be provided an informal proceeding to refute the claim's existence, amount, or current collectability; the decision following this proceeding shall be reviewable.
 - a. If a waiver of student fees is requested as a challenge to paying the claim, and the waiver of student fees is denied, an appeal of the denial of a fee waiver request shall be handled according to 4:140, Waiver of Student Fees. If no waiver of student fees is requested, reviews regarding payment of the claim shall be handled according to this policy before certification to the IOC for offset.
 - b. If application for meal benefits pursuant to policy 4:130, Free and Reduced-Price Food Services, is requested as a challenge to paying the claim, and the request is denied, an appeal of the denial of the request shall be handled according to 4:130, Free and Reduced-Price Food Services. If no request for meal benefits is received, review of the claim's payment shall be handled according to this policy before certification to the IOC for offset.
3. Certifying to the IOC that the debt is past due and legally enforceable, and notifying the IOC of any change in the status of an offset claim for delinquent debt.
4. Responding to requests for information from the IOC to facilitate the prompt resolution of any administrative review requests received by the IOC.

4:55 Use of Credit and Procurement Cards

The Executive Director and employees designated by the Executive Director are authorized to use Cooperative credit and procurement cards to simplify the acquisition, receipt, and payment of purchases and travel expenses incurred on the Cooperative's behalf. Credit and procurement cards shall only be used for those expenses that are for the Cooperative's benefit and serve a valid and proper public purpose; they shall not be used for personal purchases. Cardholders are responsible for exercising due care and judgment and for acting in the Cooperative's best interests.

The Executive Director or designee shall manage the use of Cooperative credit and procurement cards by employees. It is the Board's responsibility, through the audit and approval process, to determine whether Cooperative credit and procurement card use by the Executive Director is appropriate.

In addition to the other limitations contained in this and other Board policies, Cooperative credit and procurement cards are governed by the following restrictions:

1. Credit and/or procurement cards may only be used to pay certain job-related expenses or to make purchases on behalf of the Board or Cooperative or any student activity fund, or for purposes that would otherwise be addressed through a conventional revolving fund.
2. The Executive Director or designee shall instruct the issuing bank to block the cards' use at unapproved merchants.
3. Each cardholder, other than the Executive Director, may charge no more than \$500 in a single purchase and no more than \$1000 within a given month without prior authorization from the Executive Director.
4. The Executive Director or designee must approve the use of a Cooperative credit or procurement card whenever such use is by telephone, fax, and the Internet. Permission shall be withheld when the use violates any Board policy, is from a vendor whose reputation has not been verified, or would be more expensive than if another available payment method were used.
5. The consequences for unauthorized purchases include, but are not limited to, reimbursing the Cooperative for the purchase amount, loss of cardholding privileges, and, if made by an employee, discipline up to and including discharge.
6. All cardholders must sign a statement affirming that they are familiar with this policy.
7. The Executive Director shall implement a process whereby all purchases using a Cooperative credit or procurement card are reviewed and approved by someone other than the cardholder or someone under the cardholder's supervision.

The School Board recognizes that the District will play an essential role along with the local health department and emergency management agencies in protecting the public's health and safety during a pandemic.

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads sustainably.

To prepare the School District community for a pandemic, the Superintendent or designee shall: (1) learn and understand how the roles that the federal, State, and local government function; (2) form a pandemic planning team consisting of appropriate District personnel and community members to identify priorities and oversee the development and implementation of a comprehensive pandemic school action plan; and (3) build awareness of the final plan among staff, students, and community.

During an emergency school closing, the Board President and the Superintendent may, to the extent the emergency situation allows, examine existing Board policies pursuant to Policy 2:240, *Board Policy Development*, and recommend to the Board for consideration any needed amendments or suspensions to address mandates that the District may not be able to accomplish or implement due to a pandemic.

Board Meeting Procedure; No Physical Presence of Quorum and Participation by Audio or Video

A disaster declaration related to a public health emergency may affect the Board's ability to meet in person and generate a quorum of members who are physically present at the location of a meeting. Policy 2:220, *School Board Meeting Procedure*, governs Board meetings by video or audio conference without the physical presence of a quorum.

4:190 Targeted School Violence Prevention

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors.

Any Cooperative employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the Cooperative's duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Nondiscrimination Coordinator or designee shall consider whether action under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, should be initiated.

Retaliation against employees for bringing complaints or providing information about harassment is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*), and depending upon the law governing the complaint, whistleblower protection may be available under the State Officials and Employees Ethics Act (5 ILCS 430/), the Whistleblower Act (740 ILCS 174/), and the Ill. Human Rights Act (775 ILCS 5/).

An employee should report allegations of retaliation to his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

5:30 Hiring Process and Criteria

Because of the quality of the staff hired by the Board of Directors is the major component of an effective, productive educational program, the Board of Directors and the administration of the Cooperative make every effort possible to attract and retain the best qualified personnel.

The best-qualified applicant will be selected for each position without regard to race, color, creed, and national origin; nor shall any person be denied employment because of age, gender, marital status, or place of residence. Recommendations from all sources, when used properly, may have a positive influence on consideration given to an application. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

The Executive Director will be responsible for developing selection procedures and making hiring recommendations to the Board of Directors. Educational support personnel applicants are initially screened by the Administrative personnel. The Cooperative shall hire the best-qualified personnel consistent with budget and staffing requirements, and shall comply with Cooperative policy on equal employment opportunities and minority recruitment.

In accordance with the requirements of the *Americans With Disabilities Act* ("ADA"), no qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of LASEC or be subjected to discrimination by LASEC. Nor shall any qualified individual with a disability be discriminated against because of the disability of such individual in regard to job application procedure, the hiring, advancement or discharge of employees, employee compensation, job training, and other terms, conditions, and privileges of employment.

It is the policy of Lockport Area Special Education Cooperative that relatives of employees will normally be eligible for regular employment.

Exceptions to this policy:

1. An employee must not, directly or indirectly, be under the supervision of his/her relation.
2. The employee must not work in the same attendance center as his/her relation.

No employee should be put into a position that can influence the advancement, retention, workload or any adverse consequence of his relationship.

Relatives are defined as follows: spouse, father, stepfather, father-in-law, mother, stepmother, mother-in-law, child, stepchild, brother, stepbrother, brother-in-law, sister, stepsister, sister-in-law, aunt, step-aunt, aunt-in-law, uncle, step-uncle, uncle-in-law, nephew, step-nephew, nephew-in-law, niece, step-niece, niece-in-law, cousin and reciprocal arrangements.

All applicants must complete a Cooperative application form in order to be considered for employment.

Job Descriptions

The Board of Directors maintains the Executive Director's job description and directs, through policy, the Executive Director, in his or her charge of the Cooperative's administration.

The Executive Director shall develop and maintain a current, comprehensive job description for each position; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Executive Director or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful executive director candidate who has been offered employment by the Board of Directors, the Board Chairman shall ensure that these checks are completed. The Executive Director or designee, or if the applicant is a successful executive director candidate, then the Board Chairman shall notify an applicant if the applicant is identified in either database. The School Code requires the Board Chairman to keep a conviction record confidential and share it only with the Executive Director, Regional Executive Director, State Executive Director, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board of Directors reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The Cooperative retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any Cooperative employee, then the Board must consider that person's status as a condition of employment.

The Executive Director shall ensure that the Cooperative does not engage in any investigation or inquiry prohibited by law, including without limitation, investigation into or inquiry concerning: (1) credit history or report unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; (2) The Cooperative does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria; (3) The Cooperative does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation; (4) The Cooperative does not request or require an applicant to disclose wage or salary history as a condition of employment; (5) The Cooperative does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation; (6) claim(s) made or benefit(s) received under Workers' Compensation Act; and (7) access to an employee's or applicant's personal online account, such as social networking website, including a request for passwords to such accounts.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Executive Director shall ensure that an EHR is performed as required by State law. When the applicant is an executive director candidate, the Board Chairman shall ensure that the EHR is initiated before a successful executive director candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting

evidence of it to the Cooperative.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Orientation Program

The Cooperative's staff will provide an orientation program for new employees to acquaint them with the Cooperative's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

5:35 Compliance with the Fair Labor Standards Act

Job Classifications

The Executive Director will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for Cooperative employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor's express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Executive Director or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Executive Director. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board of Directors policy 5:310, *Compensatory Time-Off*.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board of Directors policy 5:240, *Suspension*. Non-licensed employees may be suspended without pay in accordance with Board of Directors policy 5:290, *Employment Termination and Suspensions*.

Implementation

The Executive Director or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

5:40 Communicable and Chronic Infectious Disease

The Executive Director or designee shall develop and implement procedures for dealing with known or suspected cases of a communicable and chronic infectious disease involving a Cooperative employee consistent with State and federal law, rules of the Illinois Department of Public Health, and Board policies.

An employee with a communicable or chronic infectious disease is encouraged to inform the Executive Director immediately and grant consent to being monitored by the Cooperative's Communicable and Chronic Infectious Disease Review Team. The Review Team, if used, provides information and recommendations to the Executive Director concerning the employee's conditions of employment and necessary accommodations. The Review Team shall hold the employee's medical condition and records in strictest confidence, except to the extent allowed by law.

Employees with a communicable or chronic infectious disease will be permitted to retain their positions whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions. An employee with a communicable and chronic infectious disease remains subject to the Board's employment policies including sick and/or other leave, physical examinations, temporary and permanent disability, and termination.

Educational Activities

The Director shall annually provide for educational activities and information for employees with respect to communicable diseases, including hygienic practices for proper infection control.

Additional Procedures

The Director, after consultation with the bargaining agents, may establish additional procedures to implement this policy, provide for the protection of the health of students and employees, and recognize any due process of employees who have a communicable disease.

5:50 Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All Cooperative workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on Cooperative premises or while performing work or being *on call* for the Cooperative:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on Cooperative premises or while performing work for the Cooperative when alcohol consumption is detectable, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on Cooperative premises or while performing work for the Cooperative when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The Cooperative considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Executive Director or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Executive Director or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the Cooperative from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *Cooperative premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to Cooperative and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a Board of Directors meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. *School grounds* means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the Cooperative premises or while performing work for the Cooperative, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Executive Director or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to Cooperative employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the Cooperative may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, *Curriculum Content*, requires the Cooperative to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the Cooperative at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

Cooperative Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should Cooperative employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Executive Director shall notify the appropriate State or federal agency from which the Cooperative receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in policy 2:240, *Board Policy Development*.

5:60 Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The Cooperative is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the Cooperative's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Executive Director may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations.

Expense advancement requests must be submitted to the Executive Director or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Executive Director: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Executive Director or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Fees for the first checked bag will be reimbursed. Copies of airline tickets and baggage receipts must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, ride sharing services, or other local transportation costs.

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Miscellaneous Expenses

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Additional Requirements for Travel Expenses Charged to Federal and State Grants

All grant-related travel expenses must be pre-approved by the Executive Director or designee.

Expenses for travel, including expenses for transportation, lodging, meals, and related items incurred by employees and charged to a federal grant or State grant governed by the Grant Accountability and Transparency Act (30 ILCS 708/) must also meet the following requirements:

1. The participation of the employee is necessary to the award, and the costs are specifically

related to the award.

2. Expenses must be permissible under the terms and conditions of the award.
3. Expenses must be reasonable and consistent with this policy.
4. The Board does not reimburse actual expenses or pay a per diem allowance unless the employee is on official *travel status* for more than 12 hours. However, employees remain eligible for mileage reimbursement (minus regular commuting mileage/costs) and other transportation expenses if on travel status less than 12 hours.
5. Expenses may be charged based on an actual cost basis or on a per diem basis in lieu of actual costs incurred; however, only one method may be applied per trip.
6. Commercial airfare costs in excess of the least expensive coach or economy class are prohibited except when such accommodations would: (1) require circuitous routing; (2) require travel during unreasonable hours; (3) excessively prolong travel; (4) result in additional costs that would offset transportation savings; or (5) offer accommodations not reasonably adequate for the traveler's medical needs. Qualifying circumstances must be explained on the expense form, and Board approval of the additional expense is required.
7. Per diem rates and actual reimbursement amounts for mileage, meals, and lodging may not exceed the rates established by the Governor's Travel Control Board or federal travel regulations, whichever is less. These limits do not apply when: (1) an employee stays in the lowest-priced room available at or near a hotel where a conference or seminar is located or in accommodations arranged by the conference/seminar organization, or (2) lodging at or below the established rate is unavailable. In those cases, the employee will be reimbursed for actual lodging expenses with prior approval, but in no case will the reimbursement exceed 300% of the applicable maximum per diem rate. If a conference fee includes a meal, the meal or per diem allowance will be reduced by the actual value of the meal or the applicable meal allowance, whichever is less.
8. Employees must use the least expensive compact car available when using a rental car for travel, unless an exception is approved. The Board does not reimburse employees for collision damage waiver or theft insurance.
9. The Board will reimburse travel expenses not chargeable to an award from other Cooperative funds consistent with this policy.

5:90 Abused and Neglected Child Reporting

Any Cooperative employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any Cooperative employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Executive Director or Building Principal that a report has been made. The Executive Director or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Negligent failure to report occurs when a Cooperative employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any Cooperative employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Executive Director or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any Cooperative employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Executive Director, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Executive Director or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Executive Director or designee shall provide staff development opportunities for Cooperative employees in the detection, reporting, and prevention of child abuse and neglect.

All Cooperative employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Executive Director or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse: Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not

during a school activity.

If a Cooperative employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Executive Director or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the Cooperative when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the Cooperative from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Executive Director Responsibilities

The Executive Director shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school Cooperative requests a reference concerning an applicant who is or was a Cooperative employee and was the subject of a report made by a Cooperative employee to DCFS.

When the Executive Director has reasonable cause to believe that a license holder (1) committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA or an act of sexual misconduct under *Faith's Law*, and (2) that act resulted in the license holder's dismissal or resignation from the Cooperative, the Executive Director shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Executive Director must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

The Executive Director shall develop procedures for notifying a student's parents/guardians when a Cooperative employee, contractor, or agent is alleged to have engaged in sexual misconduct with the student as defined in *Faith's Law*. The Executive Director shall also develop procedures for notifying the student's parents/guardians when the Board takes action relating to the employment of the employee, contractor, or agent following the investigation of sexual misconduct. Notification shall not occur when the employee, contractor, or agent alleged to have engaged in sexual misconduct is the student's parent/guardian, and/or when the student is at least 18 years of age or emancipated.

The Executive Director shall execute the recordkeeping requirements of *Faith's Law*.

Special Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Executive Director or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any Cooperative employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in policy 2:20, *Powers and Duties of the Board of Directors*.

5:120 Employee Ethics; Code of Professional Conduct; and Conflict of Interest

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, *Title IX Sexual Harassment Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
 - a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
 - a. Violates expectations and guidelines for employee-student boundaries.
 - b. Sexually harasses a student.

- c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
- d. Engages in *grooming* as defined in 720 ILCS 5/11-25.
- e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act:

- 1. Superintendent;
- 2. Building Principal;
- 3. Head of any department;
- 4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
- 5. Hearing officer;
- 6. Any employee having supervisory authority for 20 or more employees; and
- 7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee's immediate family;
2. An employee's partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

Guidance Counselor Gift Ban

Guidance counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For guidance counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the guidance counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the guidance counselor believes that it was provided due to the official position or employment of the guidance counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the guidance counselor must consider the circumstances in which the gift was offered, including any of the following:
 - a. The history of the relationship between the individual giving the gift and the guidance counselor, including any previous exchange of gifts between those individuals.
 - b. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
 - c. Whether, to the actual knowledge of the guidance counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.

A guidance counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

5:128 Staff Involvement in Decision-Making

The Board of Directors believes that policy decisions regarding the curriculum, instruction, and the over-all school program shall be reached with meaningful participation by the professional staff in a process which culminates in a recommendation to the Board of Directors by the Executive Director; however, such participation should be interpreted as contributing to the establishment of public policy not as setting it, which is a right ultimately reserved to the Board of Directors.

The Board of Directors believes that such participation by the administrative team and school faculties should be conducted in a spirit of cooperation and with the clear focus that student learning is the most important function of a classroom, a school, and a school administrative unit. What is best for the students of our schools in the context of resources available should always be the guiding principle that underscores any decision-making process related to the instructional program.

3. Manage the Cooperative's responses to employer requests for sexual misconduct related employment history review (EHR) information in accordance with *Faith's Law*.

When requested for information about an employee by an entity other than a prospective employer, the District will only confirm position and employment dates unless the employee has submitted a written request to the Superintendent or designee.

5:180 Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, Cooperative-paid insurance programs, etc.) will be deducted from the Cooperative's compensation liability to the employee. The Cooperative's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of gross salary.

Those insurance plans privately purchased by the employee and to which the Cooperative does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes an employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the employee returned to work intermittently in order to avoid this paragraph's application.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

5:185 Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act, The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning July 1 and ending June 30 of the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the Cooperative will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided in federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the Cooperative, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, the following provision must describe the employee:

The employee has been employed by the Cooperative for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the Cooperative need not be consecutive. However, the Cooperative will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the Cooperative's intention to rehire the employee.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Director or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the Cooperative's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Director or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Director or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The Cooperative may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The Cooperative may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the Cooperative may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) Cooperative receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the Cooperative within 15 calendar days after the request. The Cooperative may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the Cooperative may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A Cooperative's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the Cooperative notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Director or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Director or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the Cooperative may impose as provided in the FMLA or implementing regulations, and (2) the Cooperative's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Director or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

A member of the professional staff is not eligible to receive compensation for his or her services until college transcripts are on file in the Executive Director's office certifying college credits and degrees earned, as required by Section 24-23 of the School Code of Illinois, and an appropriate Illinois certificate which legally qualifies him or her for the teaching or supervisory duties assigned, shall be on file. In the case of a new employee, if the process to obtain certification goes beyond the date of employment, the Executive Director must have written assurance from the person being employed that prompt application has been made and that certification will be forthcoming as soon as the State Board of Education is able to process the paperwork. Certificate(s) must be registered or renewed annually by the office of the Superintendent, Will County Educational Service Region.

- d. Notify the Executive Director of any change in the teacher's transcript.

The Executive Director or designee shall:

1. Monitor compliance with State and federal law requirements that teachers be appropriately licensed; and
2. Through incentives for voluntary transfers, professional development, recruiting programs, or other effective strategies, ensure that minority students and students from low-income families are not taught at higher rates than other students by unqualified, out-of-field, or inexperienced teachers.

Once job descriptions have been established, it shall be the Executive Director's responsibility to provide for the supervision of the employee. The Administrator will be responsible for all professional personnel in buildings within his/her assignment.

5:230 Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Director shall ensure that all teachers, other certificated [licensed] educational employees (except for individuals employed as paraprofessional educators), and persons providing a student's related service(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Administrator and/or discuss the problem with the parent(s)/guardian(s) per the Behavior Management Plan, 504 Plan or IEP for the student. A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students; a student's removal must be in accordance with Board policy and administrative procedures.

Teachers shall not use disciplinary methods which may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) may not be used. Teachers may use reasonable force as needed to keep students, school personnel, and others safe, or for self-defense or defense of property.

Suspension Without Pay

The Board of Directors may suspend without pay: (1) a professional employee pending a dismissal hearing, or (2) a teacher as a disciplinary measure for up to 30 employment days for misconduct that is detrimental to the Cooperative. Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the Cooperative includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Executive Director or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Director or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Executive Director or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee's continued presence in his or her position would not be in the Cooperative's best interests, (2) as a disciplinary measure for misconduct that is detrimental to the Cooperative as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Executive Director shall meet with the professional employee to present the allegations and give the professional employee an opportunity to refute the charges. The professional employee will be told the dates and times the suspension will begin and end.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the Cooperative remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the Cooperative, the Board or Director or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
 - a. A suspension with pay; or
 - b. A suspension without pay.

Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, the employee must repay to the Cooperative all compensation and the value of all benefits received by him or her during the suspension. The Director will notify the employee of this requirement when the employee is suspended.

Other Discipline

The Executive Director or other administrators designated by the Executive Director may impose other discipline not involving loss of salary, such as written or oral reprimands, or other appropriate discipline.

5:250 Leaves of Absence

Professional Staff Visitations and Conference

The Executive Director may authorize professional leave for personnel to attend regional and national meetings without loss of pay. The granting of professional leaves shall be at the discretion of the Executive Director who will weigh the educational value, estimated cost expenditures, and budget limitations.

Sick and Bereavement Leave, Personal Leave, Leave of Absence Without Pay, Child-Rearing Leave

Please refer to the applicable collective bargaining agreement.

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Executive Director may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Executive Director may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. Employees will be returned to their former position or one which is available and suitable after returning from duty. There will be no loss of seniority to the employee and current benefits will apply.

In order to exercise the above rights, an employee must apply to the Board of Directors for reemployment within 90 days following a discharge or release from duty.

The Board of Directors will comply with all existing federal and state laws regarding veterans' reemployment. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Cooperative may grant teachers a leave of absence to accept employment in a Department of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Executive Director shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the Cooperative employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. § 2601, et seq.).

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the Cooperative, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the Cooperative's employees may be absent to serve as election judges on the same Election Day.

Other Leaves

Upon request, the Cooperative will grant: (1) an unpaid leave of absence to a teacher who is elected to serve as an officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) 20 days of paid leave of absence per year to a trustee of the Teachers' Retirement System to attend meetings and seminars as described in 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the Cooperative, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

COVID-19 Paid Administrative Leave

During any time when the Governor has declared a disaster due to a public health emergency under 20 ILCS 3305/7, paid administrative leave is available to eligible employees if the Cooperative, State or any of its agencies, or the local health department has issued guidance, mandates, or rules related to COVID-19 that restrict an employee from being on LASEC property for a reason outlined in State law.

For an employee to be eligible for COVID-19 paid administrative leave, the employee must be fully vaccinated against COVID-19 as defined in 105 ILCS 5/10-20.83 (final citation pending).

The employee will receive as many days of administrative leave as required to abide by the public health guidance, mandates, and requirements issued by the Ill. Dept. of Public Health, unless a longer period has been negotiated with the exclusive bargaining representative.

As a condition of being granted COVID-19 paid administrative leave, an employee shall provide all documentation necessary to substantiate the employee's eligibility for the leave, as requested by the Executive Director or designee. An employee who is on COVID-19 paid administrative leave will receive the employee's regular rate of pay; the leave will not diminish any other leave or benefits of the employee. Employees may not accrue COVID-19 paid administrative leave.

5:260 Student Teachers

The Director is authorized to accept students from university-approved teacher-training programs to do student teaching in the Cooperative. No individual who has been convicted of a criminal offense that would subject him or her to license suspension or revocation pursuant to Section 5/21B-80 of the School Code or who has been found to be the perpetrator of sexual or physical abuse of a minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987 is permitted to student teach.

Before permitting an individual to student teach or begin a required internship in the Cooperative, the Director or designee shall ensure that:

1. The District performed a *105 ILCS 5/10-21.9(g) Check* as described below; and
2. The individual furnished evidence of physical fitness to perform assigned duties and freedom from communicable disease pursuant to 105 ILCS 5/24-5.

A *105 ILCS 5/10-21.9(g) Check* shall include:

1. Fingerprint-based checks through (a) the Ill. State Police (ISP) for criminal history records information (CHRI) pursuant to the Uniform Conviction Information Act (20 ILCS 2635/1), and (b) the FBI national crime information databases pursuant to the Adam Walsh Child Protection and Safety Act (P.L. 109-248);
2. A check of the Illinois Sex Offender Registry (see the Sex Offender Community Notification Law (730 ILCS 152/101 et seq.); and
3. A check of the Illinois Murderer and Violent Offender Against Youth Registry (Murderer and Violent Offender Against Youth Registration Act (730 ILCS 154/75-105).

The School Code requires each individual student teaching or beginning a required internship to provide the District with written authorization for, and pay the costs of, his or her 105 ILCS 5/10-21.9(g) check (including any applicable vendor's fees). Upon receipt of this authorization and payment, the Executive Director or designee will submit the student teacher's name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Ill. State Police (ISP), to the ISP. The Executive Director or designee will provide each student teacher with a copy of his or her report.

5:270 Employment At-Will, Compensation, and Assignment

Employment At-Will

Unless otherwise specifically provided, Cooperative employment is at-will, meaning that employment may be terminated by the Cooperative or employee at any time for any reason other than a reason provided by law, or no reason at all. A dismissal for reduction in force requires 30 days notice before the employee is removed or dismissed. For the purposes of reduction in force, educational support personnel are granted seniority and recall rights within their respective categories of position. Nothing in Cooperative policy is intended or should be construed as altering the employment at-will relationship.

Compensation and Assignment

The Cooperative will determine salary and wages for educational support personnel. Increments are dependent on evidence of continuing satisfactory performance. An employee covered by the overtime provisions in the Fair Labor Standards Act, 29 U.S.C. § 201 et seq., works overtime whenever the employee works more than 40 hours during a single workweek. Overtime will not be allowed without prior authorization from the employee's immediate supervisor. Educational support personnel are paid every 2 weeks. The Executive Director is authorized to make assignments and transfers of educational support personnel.

5:280 Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to Board policies as they may be changed from time-to-time at the Board of Director's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Ill. State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Nonlicensed Personnel Working with Students and Performing Non-Instructional Duties

Nonlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities or for school activities connected to the academic program during any time in which the Governor has declared a disaster due to a public health emergency, in accordance with ISBE rule; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a nonlicensed person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

When appropriate, the Executive Director may seek approval from the responsible regional superintendent for a noncertificated individual to provide specialized instruction that is not otherwise readily available in the school environment in the field that the individual is particularly qualified by reason of specialized knowledge or skill.

Coaches

Athletic coaches and trainers shall have the qualifications required by any association in which the Cooperative maintains a membership. Regardless of whether the athletic activity is governed by an association, the Executive Director or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automatic External Defibrillator user according to rules adopted by the Illinois Department of Public Health.

5:290 Employment Termination and Suspensions

Resignation and Retirement

An employee is requested to provide two weeks' notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least two months before the retirement date.

Non-RIF Dismissal

The Cooperative may terminate an at-will employee at any time for any reason, subject to State and federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Executive Director is responsible for making dismissal recommendations to the Board of Directors consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by 325 ILCS 5/.

Reduction in Force and Recall

Whenever it becomes necessary to reduce the number of Educational Support Personnel because of economic conditions or programmatic changes, reductions will be based on the following criteria:

- Needs of the Cooperative
- Performance of the employee on the job
- Versatility of the employee

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Executive Director is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct, or pending a dismissal hearing whenever, in the Executive Director's judgment, the employee's presence is detrimental to the Cooperative. 5:310 Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. If compensatory time is given in lieu of payment, it must be taken during the pay period in which it has been earned. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the Cooperative's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

5:330 Sick Days, Vacation, Holidays, and Leaves

Sick Days

Full-time clerical and custodial educational support personnel who work at least 600 hours per year receive 15 paid sick leave days per year. Full-time instructional assistants who work at least 600 hours per year receive 10 paid sick days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 240 days, including the leave of the current year. This policy is the Cooperative's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon a Cooperative employee's retirement under the Ill. Municipal Retirement Fund.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Executive Director or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Executive Director deem necessary in other cases, the Board or Executive Director may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Executive Director requires a certificate during a leave of less than three days for personal illness, the Cooperative shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Executive Director may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Executive Director may require that the employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Maximum Vacation Leave Earned Per Year</u>
<u>From:</u>	<u>To:</u>	
Beginning of year 1	End of year 5	10 Days per year
Beginning of year 6	End of year 10	15 Days per year

Beginning of year 11

20 Days per year

Note: If an employee does not begin employment on July 1st, vacation allotment will be pro-rated at .8 days for each month of service. This partial year is not considered a full year and therefore, not used in the movement from 10 to 15 vacation day allotment per year.

One week (5 days), if not utilized, may be carried over to the following fiscal year, but must be used by September 30th of that year. If these five days are not taken in this timeframe, the vacation time will be lost. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Unless the Cooperative has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a legal school holiday listed below, 12-month Cooperative employees will not be required to work on the following days:

Good Friday	2022 Election Day
Memorial Day	Thanksgiving Day
Juneteenth National Freedom Day	Day following Thanksgiving
Independence Day	Christmas Eve through New Year's Day

Note: Adjustments may be required in the event the holiday falls on the weekend.

A holiday will not cause a deduction from an employee's time or compensation. The Cooperative may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

1. Full-time employed Educational Support Personnel may be granted, upon pre-approval by the Executive Director, three (3) personal leave days with pay each school year, non-cumulative. 3. Notification for a personal leave day shall be made to the Executive Director using the proper form at least one week in advance. In cases of emergency situations, exceptions may be granted.
4. Personal leave shall be interpreted as being absent due to business matters that cannot be handled other than at the specified time during a school day, i.e., personal family matters of an urgent nature, etc.
5. Request must be made in writing to the Executive Director.

6. Unused personal leave days shall be transferred to one's sick leave accumulation at the end of each school year.

State Board of Education (ISBE) *Special Education* rules, that special education services are needed. Children with disabilities who turn 22 years old during the school year are eligible for such services through the end of the school year.

Districts may consult LASEC concerning student issues that fall under the definition of Section 504 of the Rehabilitation Act of 1973; however, such issues are the responsibility of the districts.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the ISBE *Special Education* rules. For those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the Rehabilitation Act of 1973, need or are believed to need special instruction or related services, the Cooperative shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), and representation by counsel, and a review procedure.

The Cooperative may maintain membership in one or more associations of Cooperatives that shall assist the Cooperative in fulfilling its obligations to the Cooperative's students with disabilities.

If necessary, students may also be placed in nonpublic special education programs or education facilities.

6:180 Extended School Year Programs

The Executive Director shall coordinate the procedures to identify Member District's special population children for whom an extended school year program would be required.

All exceptional children defined in the School Code, Article 14, may be eligible for extended school year in accordance with the child's Individual Educational Program (IEP).

At the child's annual review conference, or other conferences held for the explicit purpose of determining the necessity of extended school year services, the public school staff shall determine if extended school year services are warranted. Such an analysis shall be based upon the regression/recoupment syndrome as defined in the procedures of the Cooperative. If extended school year services are considered necessary, the child's IEP shall clearly state that extended school year attendance may deter developmental regression caused by an interruption in the child's educational programming.

The child's acceptance for extended school year services shall be determined annually no later than June 1 of each year.

The student's parent(s)/guardian(s) may:

1. Inspect the survey or evaluation upon, and within a reasonable time of, their request, and/or
2. Refuse to allow their child to participate in the activity described above. The school shall not penalize any student whose parent(s)/guardian(s) exercised this option.

Instructional Material

A student's parent(s)/guardian(s) may inspect, upon their request, any instructional material used as part of their child's educational curriculum within a reasonable time of their request.

The term "instructional material" means instructional content that is provided to a student, regardless of its format, printed or representational materials, audio-visual materials, and materials in electronic or digital formats (such as materials accessible through the Internet). 7:70 Attendance and Truancy

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades kindergarten through 12 in the public school regardless of age. Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness (including mental or behavioral health of the student), observance of a religious holiday, death in the immediate family, attendance at a civic event, family emergency, other situations beyond the control of the student as determined by the Board, voting pursuant to policy 7:90, *Release During School Hours* (10 ILCS 5/7-42 and 5/17-15), other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Executive Director or designee. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Absenteeism and Truancy Program

The Executive Director or designee shall manage an absenteeism and truancy program in accordance with the School Code and Board policy. The program shall include but not be limited to:

1. A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Executive Director or designee is authorized to determine when the student's absence is justified.
2. A protocol for excusing a student in grades 6 through 12 from attendance to sound *Taps* at a military honors funeral held in Illinois for a deceased veteran.
3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
4. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.
5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in 105 ILCS 5/26-2a.
6. A description of diagnostic procedures for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information about the reasons for the student's attendance problem.
7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, or information about community agency services.
8. A process for a 17-year-old resident to participate in the Cooperative's various programs and resources for truants. The student must provide documentation of his/her dropout status for the

previous six months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in 7:50, *School Admissions/Eligibility for Services*.

9. A process for the collection and review of chronic absence data and to:
 - a. Determine what systems of support and resources are needed to engage chronically absent students and their families, and
 - b. Encourage the habit of daily attendance and promote success.
10. Reasonable efforts to provide ongoing professional development to teachers, administrators, Board members, school resource officers, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement.
11. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
12. A protocol for cooperating with non-Cooperative agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, *Student Records*, as well as State and federal law concerning school student records.
13. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student.
14. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Executive Director believes qualifies.
15. A process for the temporary exclusion of a student 17 years of age or older for failing to meet minimum attendance standards according to provisions in State law. A parent/guardian has the right to appeal a decision to exclude a student.

Monitoring

Pursuant to State law and policy 2:240, *Board Policy Development*, the Board updates this policy at least once every two years. The Executive Director or designee shall assist the Board with its update.

All students are entitled to enjoy the rights protected by the U.S. and Illinois Constitutions and laws for persons of their age and maturity in a school setting. Students should exercise these rights reasonably and avoid violating the rights of others. Students who violate the rights of others or violate Cooperative policies or rules will be subject to disciplinary measures.

Students may, during the school day, during noninstructional time, voluntarily engage in individually or collectively initiated, non-disruptive prayer or religious-based meetings that, consistent with the Free Exercise and Establishment Clauses of the U.S. and Illinois Constitutions, are not sponsored, promoted, or endorsed in any manner by the school or any school employee. *Noninstructional time* means time set aside by a school before actual classroom instruction begins or after actual classroom instruction ends.

7:140 Search and Seizure

To maintain order and security in the Cooperative, Cooperative authorities are authorized to conduct reasonable searches of Cooperative property and equipment, as well as of students and their personal effects. "Cooperative authorities" includes school liaison police officers.

Cooperative Property and Equipment as well as Personal Effects Left There by Students

Cooperative authorities may inspect and search Cooperative property and equipment owned or controlled by the Cooperative (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Executive Director may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other Cooperative property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

Cooperative authorities may search a student and/or the student's personal effects in the student's possession (such as purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the Cooperative's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objectives and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students;
2. In the presence of a school coordinator or adult witness; and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the Cooperative authority who conducted the search, and given to the Executive Director.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the Cooperative's policies or rules, such evidence may be seized and impounded by Cooperative authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Director or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

7:150-AP Administrative Procedure - Agency and Police Interviews

Interviews by Police

1. The Building Principal will check the police officer's credentials and any legal papers such as warrants for arrest, search warrants, or subpoenas to be served.
2. The Building Principal will attempt to contact the student's parent(s)/guardian(s) if possible, and inform them that the student is subject to an interview. In extreme emergency situations, DCFS employees, law enforcement personnel, or treating physicians may, in effecting temporary protective custody, request that the District not notify parents until the child's safety is ensured. The Building Principal should ask that such a request be put in writing. The parent(s)/guardian(s) will be given the opportunity to be present and be represented by legal counsel at their own expense. Interviews of minor students without permission of the parent(s)/guardian(s) is not permitted unless a legal process is presented or in emergency situations.
3. Interviews will be conducted in a private setting. If the parent(s)/guardian(s) are absent, the Building Principal and one other adult witness, selected by the Building Principal, will be present during the interview.
4. Interview proceedings will be documented in writing for inclusion in the student's temporary records.
5. No minor student shall be removed from the school by the police officer without the consent of a parent(s)/guardian(s), except upon service of a valid warrant of arrest or in cases of warrantless temporary protective custody.

Interviews by the Illinois Department of Children and Family Services (DCFS)

1. The Building Principal will check the agent's credentials and any papers pertaining to a legal process.
2. The Building Principal will attempt to contact the student's parent(s)/guardian(s) and inform them that the student is subject to an interview, if appropriate.
3. If the DCFS agent does not want a parent(s)/guardian(s) present or notified during the interview, this stipulation must be in writing and signed by the DCFS agent.
4. Interviews will be conducted in a private setting. If the parent(s)/guardian(s) are absent, the Building Principal and one other adult witness, a member of the District staff, will be present during the interview.
5. The student may be removed from school by the DCFS agent if case circumstances warrant. A local law enforcement agency officer, designated DCFS employee, or a physician treating a child may take or retain temporary protective custody of the child without the consent of the person responsible for the child's welfare, if: (1) he or she has reason to believe that the child's circumstances or conditions are such that continuing in his or her place of residence or in the care and custody of the person responsible for the child's welfare, presents an imminent danger to that child's life or health; (2) the person responsible for the child's welfare is unavailable or has been asked and does not consent to the child's removal from his or her custody; and (3) there is not time to apply for a court order under the Juvenile Court Act for temporary custody of the child. The person taking or retaining a child in temporary protective custody shall immediately make every reasonable effort to notify the person responsible for the child's welfare and shall immediately notify the Department.
6. No District employee may act as a DCFS agent.

7:180 Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important Cooperative goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by a school Cooperative or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This item (4) applies only in cases in which a school administrator or teacher receives a report that bullying through this means has occurred and it does not require a Cooperative or school to staff or monitor any nonschool-related activity, function, or program.

Definitions from 105 ILCS 5/27-23.7

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution

by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

School personnel means persons employed by, on contract with, or who volunteer in a Cooperative, including without limitation school and Cooperative administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan

The Executive Director or designee shall develop and maintain a bullying prevention and response plan that advances the Cooperative's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the following requirements:

1. Using the definition of *bullying* as provided in this policy, the Executive Director or designee shall emphasize to the school community that: (1) the Cooperative prohibits bullying, and (2) all students should conduct themselves with a proper regard for the rights and welfare of other students. This may include a process for commending or acknowledging students for demonstrating appropriate behavior.
2. Bullying is contrary to State law and the policy of this Cooperative. However, nothing in the Cooperative's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the Cooperative named officials or any staff member. The Cooperative named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

4. Consistent with federal and State laws and rules governing student privacy rights, the Executive Director or designee shall promptly inform parent(s)/guardian(s) of all students involved in an alleged incident of bullying and discuss, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.
5. The Executive Director or designee shall promptly investigate and address reports of bullying, by, among other things:
 - a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of the incident of bullying was received and taking into consideration additional relevant information received during the course of the investigation about the reported incident of bullying.
 - b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.
 - c. Notifying the Building Principal or school administrator or designee of the report of the incident of bullying as soon as possible after the report is received.
 - d. Consistent with federal and State laws and rules governing student privacy rights, providing parents and guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the principal or school administrator or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Executive Director or designee shall investigate whether a reported act of bullying is within the permissible scope of the Cooperative's jurisdiction and shall require that the Cooperative provide the victim with information regarding services that are available within the Cooperative and community, such as counseling, support services, and other programs.

6. The Executive Director or designee shall use interventions to address bullying, which may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. Any person's act of reprisal or retaliation will be subject to disciplinary action, up to and including discharge with regard to employees, or suspension and/or expulsion with regard to students.
8. A student will not be punished for reporting bullying or supplying information, even if the Cooperative's investigation concludes that no bullying occurred. However, a person who is found to have falsely accused another of bullying, as a means of retaliation, as a means of bullying, or provided false information will be treated as either: (a) *bullying*, (b) student discipline up to and including suspension and/or expulsion, and/or (c) both (a) and (b) for purposes of determining any consequences or other appropriate remedial actions.
9. The Cooperative's bullying prevention and response plan is based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Executive Director or designee shall post this policy on the Cooperative's website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to

parents/guardians, students, and school personnel (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.

11. Pursuant to State law and policy 2:240, *Board Policy Development*, the Board monitors this policy every two years by conducting a review and re-evaluation of this policy to make any necessary and appropriate revisions. The Executive Director or designee shall assist the Board with its re-evaluation and assessment of this policy's outcomes and effectiveness. Updates to this policy will reflect any necessary and appropriate revisions. This process shall include, without limitation:
 - a. The frequency of victimization;

The Executive Director or designee must post the information developed as a result of the policy re-evaluation on the Cooperative's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students. Reviews and re-evaluations in years they are due must be submitted to ISBE by September 30.

12. The Cooperative's bullying prevention plan must be consistent with other Board policies.

7:190 Student Behavior

LASEC students are expected to adhere to the discipline policies in force in the school buildings where their classrooms are located. The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in *prohibited student conduct*, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
 - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).
 - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
 - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
 - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*.
 - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication,

hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.

- f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
- g. *Look-alike* or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
- h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

- 4. Using, possessing, controlling, or transferring a *weapon* as that term is defined in the **Weapons** section of this policy, or violating the **Weapons** section of this policy.
- 5. Using or possessing an electronic paging device. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other electronic device in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered-off or silenced and out-of-sight during the regular school day unless: (a) the supervising teacher grants permission; (b) use of the device is provided in a student's individualized education program (IEP); (c) it is used during the student's lunch period, or (d) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
- 6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
- 7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a Cooperative staff member's request to stop, present school identification, or submit to a search.
- 8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
- 9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.
- 10. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include

the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.

11. Teen dating violence, as described in Board policy 7:185, *Teen Dating Violence Prohibited*.
12. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
13. Entering school property or a school facility without proper authorization.
14. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
15. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
16. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
17. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.
18. Violating any criminal law, including but not limited to, assault, battery, arson, theft, gambling, eavesdropping, vandalism, and hazing.
19. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
20. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Director or designee.
21. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term *possession* includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Director or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The Cooperative will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended may also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed two calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled may also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), *look-alikes*, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the Cooperative and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Isolated Time Out, Time Out, and Physical Restraint

Neither isolated time out, time out, nor physical restraint shall be used to discipline or punish a student. These methods are only authorized for use as permitted in 105 ILCS 5/10-20.33, State Board of Education rules (23 Ill.Admin.Code §§ 1.280, 1.285), and the District's procedure(s).

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than two calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24-1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Director, and the Director's determination may be modified by the Board on a case-by-case basis. The Director or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Director or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, Ill. State Police (ISP), and any involved student's parent/guardian. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of

self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Director, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Director, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the Cooperative's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the Cooperative disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

7:200 Suspension Procedures

In-School Suspension

The Executive Director or designee is authorized to maintain an in-school suspension program. The program shall include, at a minimum, each of the following:

1. Before assigning a student to in-school suspension, the charges will be explained and the student will be given an opportunity to respond to the charges.
2. Students are supervised by licensed school personnel.
3. Students are given the opportunity to complete classroom work during the in-school suspension for equivalent academic credit.

Out-of-School Suspension

The Executive Director or designee shall implement suspension procedures that provide, at a minimum, for each of the following:

1. A conference during which the charges will be explained and the student will be given an opportunity to respond to the charges before he or she may be suspended.
2. A pre-suspension conference is not required, and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.
3. An attempted phone call to the student's parent(s)/guardian(s).
4. A written notice of the suspension to the parent(s)/guardian(s) and the student, which shall:
 - a. Provide notice to the parent(s)/guardian(s) of their child's right to a review of the suspension;
 - b. Include information about an opportunity to make up work missed during the suspension for equivalent academic credit;
 - c. Detail the specific act of gross disobedience or misconduct resulting in the decision to suspend;
 - d. Provide rationale or an explanation of how the chosen number of suspension days will address the threat or disruption posed by the student or his or her act of gross disobedience or misconduct; and
 - e. Depending upon the length of the out-of-school suspension, include the following applicable information:
 - i. For a suspension of 3 school days or less, an explanation that the student's continuing presence in school would either pose:
 - a) A threat to school safety, or
 - b) A disruption to other students' learning opportunities.
 - ii. For a suspension of 4 or more school days, an explanation:
 - a) That other appropriate and available behavioral and disciplinary interventions have been exhausted,
 - b) As to whether school officials attempted other interventions or determined that no other interventions were available for the student, and

c) That the student's continuing presence in school would either:

i) Pose a threat to the safety of other students, staff, or members of the school community, or

ii) Substantially disrupt, impede, or interfere with the operation of the school.

iii. For a suspension of 5 or more school days, the information listed in section 4.e.ii., above, along with documentation by the Executive Director or designee determining what, if any, appropriate and available support services will be provided to the student during the length of his or her suspension.

5. A summary of the notice, including the reason for the suspension and the suspension length, must be given to the Board by the Executive Director or designee.
6. Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the Board or a hearing officer appointed by the Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. Whenever there is evidence that mental illness may be the cause for the suspension, the Executive Director or designee shall invite a representative from a local mental health agency to consult with the Board. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate. If the suspension is upheld, the Board's written suspension decision shall specifically detail items (a) and (e) in number 4, above.

7:270 Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the Cooperative's procedures on dispensing medication.

No Cooperative employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form (SMA Form)* is submitted by the student's parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Coordinator shall provide a copy of this policy to the parents/guardians of students.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Executive Director or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an Ill. Food Allergy Emergency Action Plan and Treatment Authorization Form, (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The Cooperative shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the Cooperative and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

Cooperative Supply of Undesignated Asthma Medication

The Executive Director or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesignated asthma medication in the name of the Cooperative and provide or administer them as necessary according to State law. *Undesignated asthma medication* means an asthma medication prescribed in the name of the Cooperative or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated asthma medication to a person when they, in good faith, believe a person is having *respiratory distress*. Respiratory distress may be characterized as *mild-to-moderate* or *severe*. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

Cooperative Supply of Undesignated Glucagon

The Executive Director or designee shall implement 105 ILCS 145/27 and maintain a supply of undesignated glucagon in the name of the Cooperative in accordance with manufacturer's instructions.

When a student's prescribed glucagon is not available or has expired, a school nurse or delegated care aide may administer undesignated glucagon only if he or she is authorized to do so by a student's diabetes care plan.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:
 - a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
 - b. Copies of the registry identification cards are provided to the Cooperative;
 - c. That student's parent/guardian completed, signed, and submitted a *School Medication Authorization Form - Medical Cannabis*; and
 - d. After administering the product to the student, the designated caregiver immediately removes it from school premises or the school bus.
2. A properly trained school nurse or administrator, who shall be allowed to administer the *medical cannabis infused product* to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the Cooperative or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The Cooperative may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **Cooperative Supply of Undesignated Asthma Medication** section of the policy is void whenever the Executive Director or designee is, for whatever reason, unable to: (1) obtain for the Cooperative a prescription for undesignated asthma medication from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the Cooperative's prescription for undesignated school asthma medication.

The **Cooperative Supply of Undesignated Glucagon** section of the policy is void whenever the

Executive Director or designee is, for whatever reason, unable to: (1) obtain for the Cooperative a prescription for glucagon from a qualifying prescriber, or (2) fill the Cooperative's prescription for undesignated school glucagon.

The **Administration of Medical Cannabis** section of the policy is void and the Cooperative reserves the right not to implement it if the Cooperative or school is in danger of losing federal funding.

Administration of Undesignated Medication

Upon any administration of an undesignated medication permitted by State law, the Executive Director or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Undesignated Medication Disclaimers

Upon implementation of this policy, the protections from liability and hold harmless provisions applicable under State law apply.

No one, including without limitation, parents/guardians of students, should rely on the Cooperative for the availability of undesignated medication. This policy does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

7:285 Anaphylaxis Prevention, Response, and Management Program

School attendance may increase a student's risk of exposure to allergens that could trigger anaphylaxis. Students at risk for anaphylaxis benefit from a Board policy that coordinates a planned response in the event of an anaphylactic emergency. Anaphylaxis is a severe systemic allergic reaction from exposure to allergens that is rapid in onset and can cause death. Common allergens include animal dander, fish, latex, milk, shellfish, tree nuts, eggs, insect venom, medications, peanuts, soy, and wheat. A severe allergic reaction usually occurs quickly; death has been reported to occur within minutes. An anaphylactic reaction can also occur up to one to two hours after exposure to the allergen.

While it is not possible for LASEC to completely eliminate the risks of an anaphylactic emergency when a student is at school, an Anaphylaxis Prevention, Response, and Management Program using a cooperative effort among students' families, staff members, students, health care providers, emergency medical services, and the community helps LASEC reduce these risks and provide accommodations and proper treatment for anaphylactic reactions.

The Executive Director or designee shall develop and implement an Anaphylaxis Prevention, Response, and Management Program for the prevention and treatment of anaphylaxis that:

1. Fully implements the Ill. State Board of Education (ISBE)'s model policy required by the School Code that: (a) relates to the care and response to a person having an anaphylaxis reaction, (b) addresses the use of epinephrine in a school setting, (c) provides a full food allergy and prevention of allergen exposure plan, and (d) aligns with 105 ILCS 5/22-30 and 23 Ill.Admin.Code §1.540.
2. Ensures staff members receive appropriate training, including: (a) an in-service training program for staff who work with students that is conducted by a person with expertise in anaphylactic reactions and management, and (b) training required by law for those staff members acting as *trained personnel*, as provided in 105 ILCS 5/22-30 and 23 Ill.Admin.Code §1.540.
3. Follows and references the applicable best practices specific to LASEC's needs in the Centers for Disease Control and Prevention's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* and the *National Association of School Nurses Allergies and Anaphylaxis Resources/Checklists*.
4. Provides annual notice to the parents/guardians of all students to make them aware of this policy.
5. Complies with State and federal law and is in alignment with Board policies.

Monitoring

Pursuant to State law and policy 2:240, *Board Policy Development*, the Board reviews and makes any necessary updates to this policy at least once every three years. The Executive Director or designee shall assist the Board with its review and any necessary updates.

 - b. Ill. State Board of Education (ISBE)-recommended guidelines and educational materials for staff training and professional development, along with ISBE-recommended resources for students containing age-appropriate educational materials on youth suicide and awareness, if available pursuant to *Ann Marie's Law* on ISBE's website.
3. Methods of intervention, including procedures that address an emotional or mental health safety plan for use during the school day and at school-sponsored events for a student identified as being at increased risk of suicide including those students who: (A) suffer from a mental health disorder; (B) suffer from a substance abuse disorder; (C) engage in self-harm or have previously attempted suicide; (D) reside in an out-of-home placement; (E) are experiencing homelessness; (F) are lesbian, gay, bisexual, transgender, or questioning (LGBTQ); (G) are bereaved by suicide; or (H) have a medical condition or certain types of disabilities. Implementation will incorporate paragraph number 2, above, along with Board policies:

health issues that impact learning ability); and

- e. State and/or federal resources that address emotional or mental health safety plans for students who are possibly at an increased risk for suicide, if available on the ISBE's website pursuant to *Ann Marie's Law*.
4. Methods of responding to a student or staff suicide or suicide attempt. Implementation of this requirement shall incorporate building-level Student Support Committee(s) established through Board policy 7:250, *Student Support Services*.
5. Reporting procedures. Implementation of this requirement shall incorporate Board policy 7:250, *Student Support Services* in addition to other State and/or federal resources that address reporting procedures.
6. A process to incorporate ISBE-recommended resources on youth suicide awareness and prevention programs, including current contact information for such programs in the Cooperative's Suicide and Depression Awareness and Prevention Program.

Illinois Suicide Prevention Strategic Planning Committee

The Executive Director or designee shall attempt to develop a relationship between the Cooperative and the Illinois Suicide Prevention Strategic Planning Committee, the Illinois Suicide Prevention Coalition Alliance, and/or a community mental health agency. The purpose of the relationship is to discuss how to incorporate the goals and objectives of the Illinois Suicide Prevention Strategic Plan into the Cooperative's Suicide Prevention and Depression Awareness Program.

Monitoring

The Board will review and update this policy pursuant to *Ann Marie's Law* and Board policy 2:240, *Board Policy Development*.

Information to Staff, Parents/Guardians, and Students

The Executive Director shall inform each Cooperative employee about this policy and ensure its posting on the Cooperative's website. Student identification (ID) cards, the Cooperative's website, and student handbooks and planners will contain the support information as required by State law.

This policy shall be implemented in a manner consistent with State and federal laws, including the Student Confidential Reporting Act, 5 ILCS 860/, Children's Mental Health Act, 405 ILCS 49/, Mental Health and Developmental Disabilities Confidentiality Act, 740 ILCS 110/, and the Individuals with Disabilities Education Act, 42 U.S.C. §12101 et seq.

The Cooperative, Board, and its staff are protected from liability by the Local Governmental and Governmental Employees Tort Immunity Act. Services provided pursuant to this policy: (1) do not replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in suicide prevention, assessments and counseling services, (2) are strictly limited to the available resources within the Cooperative, (3) do not extend beyond the school day and/or school-sponsored events, and (4) cannot guarantee or ensure the safety of a student or the student body.

 - e. A student who was removed from interscholastic athletic practice or competition shall be allowed to return only after all statutory prerequisites are completed, including without limitation, the return-to-play and return-to-learn protocols developed by the Concussion Oversight Team.  6. Include a requirement for staff members to distribute the Ill. Dept. of Public Health concussion brochure to any student or the parent/guardian of a student who may have sustained a concussion, regardless of whether or not the concussion occurred while the student was participating in an interscholastic athletic activity, if available.
 7. Include a requirement for certified athletic trainers to complete and submit a monthly report to the IHSA on student-athletes who have sustained a concussion during: 1) a school-sponsored activity overseen by the athletic trainer; or 2) a school-sponsored event of which the athletic director is made aware.

7:340 Student Records

The Cooperative holds no official student records. Any requests for student records are handled by the resident district.

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law.

State and federal law grants students, parents/guardians, and when applicable, the Ill. Dept. of Children and Family Services' Office of Education and Transition Services, certain rights, including the right to inspect, copy, and/or challenge school student records. A student or the student's parent/guardian may request, in writing, that scores received on college entrance examinations be included on the student's academic transcript. The information contained in school student records shall be kept current, accurate, clear and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The Cooperative may release directory information as permitted by law, but parent(s)/guardian(s) shall have the right to opt-out of the release of directory information regarding his or her child. The Cooperative will comply with State or federal law with regard to release of a student's school records, including, where applicable, without notice to, or the consent of, the student's parent/guardian or eligible student. Upon request, the Cooperative discloses school student records without parent consent to the official records custodian of another school in which a student has enrolled or intends to enroll, as well as to any other person as specifically required or permitted by State or federal law.

Student Biometric Information Collection

The Executive Director or designee may recommend a student biometric information collection system solely for the purposes of identification and fraud prevention. Such recommendation shall be consistent with budget requirements and in compliance with State law. Biometric information means any information that is collected through an identification process for individuals based on their unique behavioral or physiological characteristics, including fingerprint, hand geometry, voice, or facial recognition or iris or retinal scans.

Before collecting student biometric information, the Cooperative shall obtain written permission from the person having legal custody/parental responsibility or the student (if over the age of 18). Upon a student's 18th birthday, the Cooperative shall obtain written permission from the student to collect student biometric information. Failure to provide written consent to collect biometric information shall not be the basis for refusal of any services otherwise available to a student.

All collected biometric information shall be stored and transmitted in a manner that protects it from disclosure. Sale, lease, or other disclosure of biometric information to another person or entity is strictly prohibited.

The Cooperative will discontinue use of a student's biometric information and destroy all collected biometric information within 30 days after: (1) the student graduates or withdraws from the Cooperative's programs, or (2) the Cooperative receives a written request to discontinue use of biometric information from the person having legal custody/parental responsibility of the student or the student (if over the age of 18). Requests to discontinue using a student's biometric information shall be forwarded to the Executive Director or designee.

The Executive Director or designee shall develop procedures to implement this policy consistent with State and federal law.

7:345 Use of Educational Technologies; Student Data Privacy and Security

Educational technologies used in the District shall further the objectives of the District's educational program, as set forth in Board policy 6:10, *Educational Philosophy and Objectives*, align with the curriculum criteria in policy 6:40, *Curriculum Development*, and/or support efficient District operations. The Superintendent shall ensure that the use of educational technologies in the District meets the above criteria.

The District and/or vendors under its control may need to collect and maintain data that personally identifies students in order to use certain educational technologies for the benefit of student learning or District operations.

Federal and State law govern the protection of student data, including school student records and/or *covered information*. The sale, rental, lease, or trading of any school student records or covered information by the District is prohibited. Protecting such information is important for legal compliance, District operations, and maintaining the trust of District stakeholders, including parents, students and staff.

Definitions

Covered information means personally identifiable information (PII) or information linked to PII in any media or format that is not publicly available and is any of the following: (1) created by or provided to an operator by a student or the student's parent/guardian in the course of the student's or parent/guardian's use of the operator's site, service or application; (2) created by or provided to an operator by an employee or agent of the District; or (3) gathered by an operator through the operation of its site, service, or application.

Operators are entities (such as educational technology vendors) that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes.

Breach means the unauthorized acquisition of computerized data that compromises the security, confidentiality or integrity of covered information maintained by an operator or the District.

Operator Contracts

The Superintendent or designee designates which District employees are authorized to enter into written agreements with operators for those contracts that do not require separate Board approval. Contracts between the Board and operators shall be entered into in accordance with State law and Board policy 4:60, *Purchases and Contracts*, and shall include any specific provisions required by State law.

Security Standards

The Superintendent or designee shall ensure the District implements and maintains reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect covered information from unauthorized access, destruction, use, modification, or disclosure. In the event the District receives notice from an operator of a breach or has determined a breach has occurred, the Superintendent or designee shall also ensure that the District provides any breach notifications required by State law.
