

**SPECIAL EDUCATION TEACHER'S POST-OBSERVATION PLANNING RECORD**

1. In general, how successful was the lesson? Did the students learn what you intended them to learn?	
2. To what extent were the lesson's goals and objectives appropriate for your students?	
3. To what extent were your assessment strategies effective? Would you make any changes in your approach to assessment? If so, what changes would you make and why?	
4. Please comment on your classroom procedures, your use of physical space, and the students' conduct. To what extent did the classroom environment contribute to student's learning?	
5. Did you make any modifications/adjustments to your plan during the lesson? If so, what were they and what motivated the changes?	
6. To what extent was your feedback to the students accurate, substantive, constructive, specific, and/or timely? How might you have responded differently?	
7. Please describe an instance in which your feedback positively affected student's learning.
