Lockport Area Special Education Cooperative

Suicide Assessment Training

With Dr. Jason Washburn

Dr. Jason Washburn is the Director of Graduate Studies in Clinical Psychology at Northwestern University. His research interest is related to bipolar disorder as well as evidence-based practices for interventions related to self-harm. His efforts towards improving outcomes have focused on assessment of non-suicidal self-injury, the distinguishing factors of suicidal adolescents, and mental health needs for juvenile detainees. He is an experienced trainer and consultant related to suicide awareness.
